Dispensary.

examination at Vizagapatam and during his absence under the orders of the District Medical and Sanitary Officer the dispensary was closed from the 27th October until the morning of the 5th November. The Hospital Assistant says that on his arrival from Vizagapatam on the evening of the 4th, Venkataswami reported himself to him for orders, but he did not allow him to assume charge of his duties until the morning of the 5th. The 5th appears from the Hospital Assistant's account to have been spent by the Hospital Assistant in taking over the medicines himself from the compounder who was to be relieved; at any rate he made them over next morning to Venkataswami.

3. Venkataswami says he arrived on the 27th October, but the former compounder declined to hand over charge without the orders of the Hospital Assistant. The L. F. Schoolmaster and others are positive that they saw him in the village before the end of October.

4. The delay in assuming charge does not appear to have been due to any remissness on Venkataswami's part and was entirely the fault of the former compounder and the Hospital Assistant.

5. The Saluk Board on the recommendation of the District Medical Officer has resolved to recommend to Government that the compounder's joining time be excluded. I enclose a copy of its Resolution.

Sir,

I have the honor to request that you will be so good as to obtain with reference to Art 199 Civil Service Regulations the sanction of Government to our extension of the joining time admissible to A. Venkatarwami, Compounder of the Tiraghattam Dispensary up to the forenoon of the 6th November 1894, under the following circumstances.

2. Venkatarwami, who was prior to his transfer, Compounder at Rajam handed over charge of his office on the morning of the 20th October. His joining time to Tiraghattam amounted to 8 days, or if he did not travel on Sundays the 21st and 28th of October to ten days, and he ought therefore according to circumstances to have taken charge not later than the forenoon of the 28th, 29th or 30th October. The Hospital Assistant in charge of the Tiraghattam Dispensary was however absent at the time attending a departmental examination

Sir,

The receipts and charges of
Venkatagiri Union for 1893-94 amount
to Rs 1240 and Rs 1300 respectively.

Mr Wyome, during his inspection of
the Union recorded the following.

" It is to be remarked here that
the whole of the Union Revenue is being
spent on the maintenance of the
establishment which appears to be
excessive of the requirements of the Union.

He should also explain why the rating
of the higher valued houses should
not be raised in the same proportion
as the increase imposed on those

of a lower value."

2 The Taluk Board President
placed the matter before his Board
which resolved to introduce maximum
rates of house tax for houses under
Classes I and II. This proposal of the
Taluk Board was approved by the
District Board vide Copy of their
resolution on the subject. I have
therefore the honor to request that
the sanction of Government may be
obtained for the same.
