SIR,

The site sanctioned in G.O. dated 29th January 1890, No 147 L. mis. for the Ariyampalaiyams toll-gate in the Pollachi taluk has not given satisfaction. The presence of an old path near it is reported to facilitate the evasion of the payment of tolls and to account for the steady decline in the lease amount for the farm as shown in the margin.

2. The District Board has therefore resolved with the consent of the Pollachi Taluk Board to remove the gate about a mile and a half to the west on the same road.

3. The new site is indicated in the sketch here-with submitted and may be described as a place in the 7th furlong of the 6th mile from Pollachi on the south side of the road from Pollachi to Palghat

Year	Amount
1892-93	2437
1893-94	2600
1894-95	2105
1895-96	2141

about 200 feet to the east of the 7th furlong stone.
It fulfils all the conditions prescribed in G.O. May
9, 1871. No 619 Public.

4. I have the honor to request that Government
will be pleased to approve the removal of the
gate to the new site and to order the publication of
the accompanying notification in an early issue of
the Fort Saint George Gazette.

5. Copies of the resolutions of the District and
the Pollachi Taluk Boards also accompany.

I have the honor to be,
