1892-93 and 1893-94.

with order 1/7.

Grant might be drawn under the authority conveyed in Proceedings, No. 8090, dated, 19th July 1893, and that no special order was necessary for each official year. The bills for 1892-93 and 1893-94 which were then prepared by the Municipal office had to be returned by the Account~~ant~~ Department for want of the Accountant-General's sanction to the payment of the arrear grants, more than six months having elapsed since the date of the original sanction of the Director. The Chairman, it is reported, obtained that officer's sanction accordingly on the 3rd May 1894 and obtained payment of the grants on the 18th May 1894. Thus it will be seen that the Municipal office, Cochin, was wholly responsible for the delay in drawing the grant in question.

authority for drawing the grant, the Chairman presented a bill for the payment of the grant from the Malabar Treasury for the period commencing from 8th September 1892 - the date of entertainments of the Gymnastic instructor - without any sanction from this office, and it was not until the Accountant-General objected to the payment of the grant that the Chairman applied to the Director for the necessary sanction. This was in March 1893. After some correspondence the grant was sanctioned in this office Proceedings, No. 8090, dated, 19th July 1893 with retrospective effect from 8th September 1892, but without any limitation as to the tenure of the grant. Thinking, however, that the above sanction related to the year 1892-93 only, the Chairman again applied in February 1894 for the renewal of the grant for the year 1893-94. He was then informed that the grant
