the 2nd.
3. The number on rolls on the 31st March last
was 149 and the corresponding number
in March 1894 was 136.
4. The Assistant Inspector of Schools
proposed in his budget for 95-96 the opening
of the 3rd form class in the existing school

want of funds the subjects were deferred
till next year by which time the school-
building is expected to be completed.
The question about the opening of the 3rd form
was deferred till the result of the class
examination was known. Now the

recommends in his letter No. 1247 D. 11 March 95
copy herewith enclosed, the opening of another

3. The proposal would involve an additional
expenditure of Rs 20, a month of which
Rs 5 may go towards raising the pay of
the headmaster who will have higher
work to do and Rs 15 for the entertainment
of a third matriculate teacher for the lower
Secondary form. I cannot for reasons

To,

The President of the Taluk Board
K. K. K. K.

Sir,

In reference to your letter No. 8324, I
have the honor to state that I have not as yet
been favoured with the extract from your
Taluk Board Budget proposals from the
President of the District Board. In regard
to the last sentence, however, I may say
that the results of my examination of the
School are on the whole favourable
and I think the time is come for opening
a third form.

2. The numbers as they are at present are
distributed among the several classes
as shown below and would show that the
lower classes are sufficiently strong to maintain
permanently the higher forms.
