The President
District Board, Coimbatore.

Sir,

In continuation of my letters nos. 13 dated 1st April 1895 and 1626 dated 9th March 1895 I have the honor to inform you that the Municipal Council, has, under instructions from Government, resolved to restore the Yeler Bridge at once. The bridge is at the outskirts of the Town, and connects the local Fund Road System with the Municipality. Our predecessors in 1882, acted without sufficient foresight in taking up the responsibility of maintaining the bridge for the sake of a small sum charged on Mr. Sankar's building as house-tax. If the District Board is not prepared to accept our offer made in my letter no 1626 dated 9th March 1895, as it is or with

any modifications which the Board may consider reasonable, the Council begs to request that the District Board may be pleased to contribute half the cost of the bridge and lend the other half, at an interest of not more than Rs 5 per cent per annum on the security of our Tolls.

The work may be executed under the Supervision of the local Fund District Engineer, according to Estimates, approved by the District Board and Municipal Council.

I solicit the favor of an early reply, as final
reply is to be sent to Government before 27th instant

If the District Board is not prepared to contribute half the cost, free, I beg to know if it is willing to make a permanent investment of about Rs 20,000 at Rs $4\frac{1}{2}$ or Rs 5 percent on condition of receiving the interest as an annual contribution for ever, from the Municipality. The whole cost will, in this case be borne by the Municipality, though the work is to be executed under Supervision of Local Fund Engineer.

I have the honor to be,

Sir,

Yours most obedient Servant.
