Sir,

With reference to your No. 56
dated 14th May 1895. I have the
honor to state that I am of opinion
that there should be one teacher for
each class especially when it is strong.

2. The Inspecting School master
reports that there are 33 pupils in the
Infant standard & it is in a progress-
ive condition.

3. In these circumstances, a

in proper order. The strength
of the 1st standard is 21 and of
the Infant standard is 33.
So it is necessary to appoint
another teacher for the Infant
standard, if not the school
will be spoiled.

Sir,

I have the honor to say that
I used to go often to the Municipal
U. Primary School Kurnool for the
information of the annual returns.

Sir I found the school to be in a
progressive state. But the teacher
of the Infant & 1st standard is
unable either to teach or to manage.
Of course it is very difficult to
manage those standards. Because
they are all very young and have
the character of quarrelling with
each other if they were not kept
