Ans

was received there were 14 Local
Fund Budgets in type, containing
689 pages of statements, and it
was impossible to put any more
of them in type at that time,
owing to so much brevier type
being drawn off for the Civil
Budget Estimates.

(3) G.O. dated 13th March
1895, No. 4832. - The cause of
delay is the same as given
above for (2).

2. The Superintendent
expects there will be no ground
of further complaints regarding
the outturn of these budgets,
as a large quantity of brevier
type will be released later on
consequent on the Civil Budget
Estimates being set in bourgeois
type, and the brevier type will
be chiefly reserved for the Local
Fund annual reports and
budgets.
