Malabar Collector's Office

Camp, Malapuram 14th June 1895

Local & Municipal
CURRENT No. 1757 M

From

H. Moberly Esq.

Ag Collector of Malabar

To

The Chief Secretary to Government
Local and Municipal Department

Sir,

Madras

Referring to para 3 of G.O dated
23rd April 1895 N^o 691 - m mis. I have the
honor to state that in his letter to me dated
22nd December 1894 N^o 1212 the Chemical Examiner
informed me that he could not undertake any
water analysis for me until the 20th January
1895 and he requested me to send fresh
samples about that date. That letter was
received during the Xmas holidays. On 18th
January a copy of the letter was sent to the
Head Assistant Collector with the request
that he would forward the samples direct
to

to the Chemical Examiner so as to reach him
after 20th January. The Head Assistant Collector
apparently did not read the Chemical Examiner's
letter, for he now reports that "as there
did not appear to be any urgency about the
matter the samples were despatched only on
February 24th 1895."

2 G.O. dated 24th August 1893 N^o 685
was not communicated to the Local and
Municipal Department of my office and
consequently was not put before me when
I passed the draft of letter dated 11th December
1894 Ref on C.N^o $\frac{341}{m}$ to the Chemical Examiner

3 On the 25th February 1895 I received
copy of the Head Assistant Collector's letter to
the Chemical Examiner forwarding samples
of water & on the 2nd March 1895 I forwarded
to the Chemical Examiner copy of G.O.
dated 13th November 1894 N^o 1703 m.m.s.

I have the honor to be

Sir

Your most obedient Servant

C. Roberts

Sd/- Collector
