With reference to G.O. dated 5th July 1895, N. 1060 (will be communicated after), I have the honor to state that the only recommendation I can submit is that of Mr. Marshall on behalf of his son Mr. Hubert Marshall.

2. I forward herewith Mr. Marshall's letter to the Health Officer together with his son's testimonials. Personally I know nothing of Mr. Hubert Marshall but his testimonials appear to be good.

3. I am informed that he passed for the Indian Medical Service, but was not sufficiently high on the list to obtain an appointment.

In G.O. no 1060A M a year's
an medical certificate was granted
to Mr. Shield Cook the Health Officer,
Madras Municipality and the President
was told to submit recommendation
after consulting the Surgeon-General
for filling the vacancy. A commission
officer is of course out of the question
and the Surgeon-General as appears
from Col. Moore's d.o. attached has
no Assistant Surgeon to recommend.
He advises advertising. Col. Moore,
however, thinks this useless and
forwards the only application he has
received which is on behalf of a Mr.
Hubert Marshall with a request that
his appointment may be sanctioned.
Col. Moore has known nothing personal
of Mr. Marshall and apparently has
never seen him, he being now in
medical charge of an emigrant.

23
 If he says that his testimonials appear to be good and that he is the son of the ^{Deputy} Master Attendant and on these grounds recommends him. Orders are decided whether the recommendation may be accepted or whether Col. Moore should be told to advertise the vacancy.

Mr. Marshall says to be sure a young man but his testimonials are good. Col. Moore is not likely to be advertising for anything better.
