Note.

It is submitted that to sanction these presents will be to establish an inconvenient precedent. The proposal does not come well from the Chairman of Trichinopoly.

I fully agree with this remark. The Chairman coolly says that he is personally aware of the way in which two of the men worked!

Through the Collector of Trichinopoly.

SIR,

I have the honor to submit for favorable consideration of Government, a resolution of the Municipal Council, sanctioning a special remuneration of Rs. 90 to the following three servants of the Municipality for good service done while on Cholera duty:—

1. John Jesudasan, Hospital assistant } Rs. 50.

2. Arokiaswami Pillai, Hospital assistant } Rs. 25.

3. Zenuddien Sahib, Sanitary Inspector. } Rs. 15.

The

The Senior Hospital Assistant Prokiaswami Pillai was to be seen at any hour of the night attending in the Cholera shed in the Hospital premises, administering medicines, diet &c., while Hospital Assistant John Jesudasan and Special Inspector Zenuddien never shirked responsibility, but fearlessly entering all dangerously affected houses, squatted themselves courageously on the floor and spared no pains towards helping the recovery of the patients. This has had the effect of making English treatment vastly popular. I am personally aware of the work done by the last two and the District Medical officer commends the work of the first also.

The

The matter of remuneration was pressed upon my attention in the course of a conversation by the District Medical and Sanitary Officer, and in the meeting also which passed the resolution, Surgeon Lieut-Col. W. O'Hara put himself to the trouble of being present, to explain matters.

I beg to request that, under the circumstances, the remuneration recommended be sanctioned.

I have the honor to be,
Sir,
Your most obedient Servant,

P. Rungaswami
Chairman.
