LOCAL & DISTRICT OFFICE
TACHINOPOLY
CURRENT NEWS

The Chief Secretary
to the Government of Madras
Through the Collector of Tachinopoly.

The petition of the millers and
voters and citizens of the
Tachinopoly Municipality.

Most Respectfully sheweth.

There are two vacancies in the
5th Ward of the Tachinopoly Municipality
and 27th July is fixed for election.
About six nominations have been
already submitted, and the Chairman him-
self, who has got still about 18 months
term to expire, is one of the Candidates.

2. In the first place, we beg leave to
suggest that under the election rules, the
Chairman of a Municipality while in office
could be presumed to be not competent to be
nominated a candidate for any particular
Ward, and secondly even if competent he
cannot be permitted to exercise any of the
functions or duties which as Chairman he
is called upon to do on such occasions.

3. Under the rules the Chairman is
called upon to decide as to the validity of
nominations, hear objections, prepare a
list of valid nominations, appoint a

a polling officer, certify the ballot-box to be empty before polling, and check and record the result of voting after poll.

4. That one and the same individual should himself be the candidate and the judge of nominations is to deprive the election of its impartial character and make the interested party himself to judge of the merits and demerits of the rival, a result which could not possibly have been contemplated by His Excellency's Government.

5. The provisions fairly construed would exclude even a Ward Councillor and registered voter of the Ward from in any manner interfering with the election either as polling officer or otherwise and would require that the election be so held that the interested parties are kept in absolute secrecy as how the registered voters exercise their discretion. But if the Chairman is himself a candidate and is to exercise in matter of the particular election, all the functions of the office it would enable a particular candidate to make his own arrangements, and to defeat the very object for which ballot was intended.

6. It can hardly be contended that it was the intention of the Legislature that any particular candidate might appoint the polling officer, and that he

he was to certify that the ballot-box is empty before poll for self interest would so sway his mind that it would be dangerous to trust any man with such functions; and that especially a man in power, interested in the result of election, & himself a candidate should make all arrangements, is to introduce an element of danger, uncertainty and chance of foul play, inconsistent with the free and liberal character of the elective system.

7. The motive of the Chairman in offering himself as a candidate while yet there are about 18 months for his term is evidently to exclude better men and perpetuate his office and a man with such capricious desires is hardly fitted to sit in judgment over or in any way may interfere with the election.

It is therefore respectfully prayed that the Chairman be directed to withdraw his candidature if he is to exercise all the functions at the ensuing election, or that the Collector of the District be requested to exercise the functions of the Chairman in respect to the particular election.

CURRENT

1. The Chairman is not disqualified

from standing as a candidate
(Indt 20 17.7.95 Dec 1091. No 2162 P. 110)

3. As to the other points raised,

the present rules appear to be
defective, & provide no remedy.

Rule 31 seems to be in the
Chairman's power to
candidates or any who should
open the ballot box.

Not.

The difficulty pointed out by the Collector
will be met by the provision in the Bill
to amend Act IV of 184, under which a
Municipal Committee cannot stand
for election as a Committee.
