CONJEEVERAM, DATED 25th June 1895.

From

Chairman Municipal Council. 2282 M.

Conjeeveram.

TO

THE Chief Secretary to Government,
thro' the Sub Collector and
Collector of Chingleput.

SIR,

I have the honor to state that the Civil Apothecary in charge of the Municipal Hospital, Conjeeveram, under whose supervision the Slaughter House, Markets and the Vaccination department, are placed, has brought to the notice of the Council the desirability of employing a separate peon to look after the work in the Slaughter House at the time when the sheep are examined and passed for Slaughter in the mornings and evenings. This work is now being done by the hospital peon, notwithstanding the great inconvenience caused by his absence in the hospital during its working hours. The District Medical and Sanitary Officer, Chingleput, has also pointed out the

undesirability

undesirability of taking away the hospital peon for the said work. The Civil Apothecary further suggests that the new man, in addition to his work in the Slaughter house, may also be made to work in the markets and to serve vaccination notices, thus relieving the vaccinators whose clerical works have of late much increased. The Council having at its meeting held on the 17th June 1895 been convinced of the necessity for engaging a peon for the said purpose on Rs 6 per mensem under the circumstances stated by the Civil Apothecary, I respectfully request that Government will be pleased to sanction the same. The charge will be met from the Closing balance.

2. A proposition Statement, an application for allotment of funds and a copy of the resolution of the Council, are herewith submitted.

I have the honor &c,

Sir,

Your most obedient servant
