RECEIVED No. 420 of 1895

Office of the Municipal Council.
CONJEEVERAM, DATED 25th June 1895.

From

M. R. Ry. E. Subramania Iyer
Chairman Municipal Council, 2282 M
Conjeeveram.

TO

THE Chief Secretary to Government,
thru' the Dist. Collector and
Collector of Chingleput.

SIR,

I have the honor to state that the Civil Apothecary in charge of the Municipal Hospital, Conjeeveram, under whose supervision the Slaughter House, Markets and the Vaccination department, are placed, has brought to the notice of the Council the desirability of employing a separate peon to look after the work in the Slaughter House at the time when the sheep are examined and passed for slaughter in the mornings and evenings. This work is now being done by the hospital peon, notwithstanding the great inconvenience caused by his absence in the hospital during its working hours. The District Medical and Sanitary Officer, Chingleput, has also pointed out the undesirability

undesirability of taking away the hospital
person for the said work. The Civil Apothecary
further suggests that the new man, in
addition to his work in the Slaughter house,
may also be made to work in the markets
and to some vaccination notices, thus relieving
the vaccinators whose clerical works have
of late much increased. The Council having
at its meeting held on the 17th June 1895
been convinced of the necessity for engaging
a person for the said purpose on Rs 6 per
mensure under the circumstances stated
by the Civil Apothecary, I respectfully request that
Government will be pleased to sanction
the same. The charge will be met from the
Closing balance.

2. A proposition statement, an
application for allotment of funds and
a copy of the resolution of the Council,
are herewith submitted.

I have the honor to be,

Sir,
