Sanitary Engineer to Government,

To The Chairman
Municipal Council
Tanjore.

Sir, With reference to the staff required for the water works and to the proposal to start pumping as soon as possible, I have the honour to inform you that I think it will be well to make some alterations in the proposed staff as set forth in the budget, and I propose to make the following alterations in the Engine Room staff which will tend to greater efficiency. This shows a reduction of Rs 20 monthly. Meaning if you agree to this, please obtain sanction of Government to alterations. I will meantime arrange to get men on the pay in the budget with the promise of the higher pay as soon as Engines are started
