Reporting in detail about the present
financial position of the Coimbatore
Municipality -

(with ... and ...)

date in December.

5. On the 17th December the chairman forwarded to me a copy of a report furnished by a Special Sub Committee appointed to consider the financial position of the Municipality on which the Revenue Divisional Officer served.

The Sub Committee came to the conclusion that by the adoption of certain proposals made by them the deficit could be wiped out and a balance of Rs 1211 left at the end of the year in favour of the Municipality.

6. The figures for December show a balance in favour of the Municipality up to the end of the month of Rs 911 after making good the deficit at the beginning of the year. There are still considerable uncollected balances to which I am drawing the attention of the chairman.

I have the honor to be,

Sir,

Your most obedient servant

M. A. A. M. A.

Collector

C. V. S.

that date and the present financial position of the Municipality.

3. The figures relating to the first two matters reached me on the 24th November, and on the 28th I drew the attention of the chairman to the outstandings under the taxes on buildings and lands, and called for a statement showing the deficit at the end of 1893-94, the budget estimates and the receipts and expenditure up to date in order to ascertain the financial position of the Municipality. On the 4th December the chairman sent me figures up to November 30th. From this it appeared that the deficit at the beginning of the year had been made good and there was a balance of Rs 344 odd in favor of the Municipality. I again drew the chairman's attention to the slackness in collections.

4. On the 13th December the chairman addressed me informing me that the apparent slackness in collections was due to the delay in the revision of the registers and that nearly Rs 3000 had been collected up to that date

The Chief Secretary to Government,

Madras,

Sir,

With reference to the last para of Government Order dated November 13th 1894, No. 1707 in this, I have the honor to express my regret that I was unable to report earlier owing to the non-receipt from the chairman of the municipality of figures showing the receipts and charges for December.

2. On receipt of the Government Order, I saw the chairman of the municipality and having ascertained from him that the revision of the house tax registers was completed, I called for statements showing the assessment of the tax on vehicles and animals for the last three years, the outstandings on that
