Sir,

Separately registered.

In forwarding the Kurnool Municipality report for the year 1894-1895, I have the honor to express my regret that I have detained it so long in the hope of being able to submit to Government along with it proposals about the closing of Muhammadan ~~burial~~ burial grounds and altering the limits of the Municipality.

2. I regret ~~my~~ that I am unable to do the former as the Municipal Council had not complied with the directions contained in G. O. dated 23d April 1894

No

520 M. Mis: on the subject. What I received from the Chairman was a general list of all the 89 grave yards giving the Council's decision merely about each. I found a number of discrepancies with and the grave yards had not been properly marked upon the map as required by Government. After some personal inspection and consideration I have therefore been compelled to ask the Chairman to remedy these defects.

3. I have the honor to enclose for approval and publication the two draft notifications called for in para 3 of G.O. dated 20th November 1894 No. 1773 M. Mis:

4. The five survey plans exhibiting the revised boundaries of the Municipality in full and the statement (with English translation) of the Inamdars who own the land to be acquired

for the burial ground are enclosed.
