PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Letter from the Government of India Home Department (Public) dated 26th June 1895, no. 1988.
"I am directed to acknowledge the receipt of your letter no. 1074, of the 20th ult., conveying the remarks of the Government of Madras upon an application made to the Government of India by Mr. R. Fischer, Barrister-at-Law of Madras for a license to buy and import into British India a seven foot long gun to be used as a time gun in the city."

It appears that Mr. Fischer, who is chairman of the Madras Municipal Council, made a proposal to that body in October 1893 to purchase a time gun for the use of the Municipality. The Council assented to his proposal in a resolution, which was

was forwarded by Mr. Fischer to the
Local Government, with a request
that a gun might be supplied
to the Municipality either free of
cost or on payment. In reply,
the attention of the Council was
drawn to the orders of the Government
of India in the Military Department
of the 6th August 1884, deciding not
to give Municipalities for the future
guns even on payment. Mr. Fischer,
then, in his capacity of Chairman
to the Council, enquired whether
the Government would allow the
Council to import a gun from
England, and was informed that
such permission could not be
given, as it would form an objectionable
precedent and because the presence
of armicable cannon in Municipal
municipalities throughout the
Country might prove a source of
danger in unquiet times.

2. The Government of India
does not appear it desirable to grant
Mr. Fischer a licence to purchase
and import the gun, and I am to
request that, with the permission
of

of the Government Council, he may
be so informed. I am to add that
the Government of India regard it
as extremely improper on Mr. Fischer
part to apply to them for a license
in his personal capacity without
making any reference to the
correspondence which had passed
on the subject between him and
the Government of Madras.

Order: 18th July 1895, Nos. 15-16.
Communicated to Mr. Fischer
with reference to his application to
the Government of India, of 8th
March 1895.
