Sir,
I have the honor to inform you
that His Excellency the Commander in Chief
has sanctioned the grant of land which
was applied for the burial ground of
Hindus at Faunauore, provided its limits
are clearly defined by a boundary wall
to be provided by the Municipality as per
plan submitted by you. I request that
you will inform me that this has been
done before the ground is used that
the same may be reported to His Excellency
the Commander in Chief.

 CURRENT No. 2349m

To
 The Chief Secretary
 to Govt. Madras

Through the Sub-Collector
 of Malabar.

Sir,
 With reference to your endorsement No 72 of 22 January 1895. I have the honor to inform you that the ground referred to in para 3 of the Quarter Master General's letter of 7 January 1895 No 12m is still in the possession of the Municipal Council and although it has never been used as a burial ground for the Hindus it is reserved for the purpose to enforce the provisions of the Municipal Act at a later date after the question of providing the Moplas with a burial ground which is now under consideration is definitely settled. The land reserved for the Hindus if given up there will be great difficulty in securing a more suitable site for the purpose. I would therefore suggest the advisability of enclosing this portion of the land with the well near it from the piece of land

land applied for by the mission, excluding the land belonging to the Municipality may be granted on a rent of Rs 10 per acre.

The Sub Collector states that the land belonging to the Municipality is too small for the purpose of a burial ground for Hindus, he does not think that it is likely to be used for that purpose and that if it is seriously contemplated by the Municipality to provide a burial ground for Hindus, the whole piece of land now applied for by the Mission will be required. The land was granted for the purpose of a burial ground in accordance with a letter dated 17th August '85, No 1671 from the Deputy Assistant Quarter Master General (Copy enclosed). The Chairman says that a wall has been raised to mark the boundaries.

3. The delay in submitting these papers is due to the Sub Collector not having been able to inspect the site earlier than June last owing to Jambandi and Forest Settlement work.

Note

The land in doubt belongs still to
the military authorities, except so much as
was granted to the Council for
burial ground. It appears to be for
the military authorities to grant the land
to the Mission, or for the Mission to
arrange with the Council as to the
holding of the land given to the latter
for a burial ground.
