Banglow, High school, cart stands and other places.
To water these plants it is found difficult for
one Annamma cooly. An additional cooly on the same
pay has therefore been proposed for sanction.

About 2000 Casuarina and 100 Cashewnut
plants have been planted at Bugga. To water
and look after these plants the services of two
gardeners is very necessary. In G.O. No. 1574 M
16-11-93
Miscellaneous the employment of two gardeners was
sanctioned for the same as a temporary measure.
Sanction is therefore requested for the appointment
of the additional annamma cooly and the two gardeners.

The Collector of Cuddapah.

Sir,

In reference to G.O. dated the 5th March 1895
No 365 M. Local and Municipal, I have the honor to
state as follows:—

Para 4(2). Provision for the construction of the latrine
therein referred to was not made, no suitable site for
the same having been selected.

Para 4(3). The actual expenditure for results grants
during 1894-95. was 525 against 765 in the previous year
and no expenditure was incurred on account of building
and furniture grants in 1894-95. Increased provisions
under these items do not seem to be necessary for 1895-96
as suggested by the Director of Public Instruction.

Para 4(5). — The number of avenue trees has been increased.
Trees have also been planted at the Municipal Market,
