6. Grave yards. There are 24 burial grounds – 14 of these being attached to the mosques – and 4 Cremation grounds. One of the latter has been closed and a new site selected by the District Medical and Sanitary Officer. It has not as yet been acquired. Objections have been made to its position by the Mohammedans as being too close to a few of their houses, but the alternative site proposed by them cannot be recommended owing to its proximity to the river and difficulty of approach.

Resolution:— Half an acre of the 3½ acres acquired at Puthur for a rubbish depôt will be set aside for a burial ground

for

for the Govindapuram people who now use the Abu Mohidin Sahib's burial ground (Close to the site for the new hospital). The people in the Fort who now use the same burial-ground will be asked to use the Arnburpet burial-ground. In this way no inconvenience will be caused. Government will therefore be addressed in view of closing Abu Mohidin Sahib's burial-ground. The question of the proposed depôt in Periapet will lie over till next meeting.
