TO

Thro' the Sub-collector & the Collector

SIR,

In forwarding the accompanying proposition & statement for the sanction of Government, I have the honour to in- form you that the Municipal Coun- cil at a meeting held on the 30th April last resolved that a trained overseer should be appointed for this Municipality in conformity with the recommendation of my predecessor in office embodied in his report on the Budget for 1895-96 and the opinion of Government on the same question conveyed in para 4(2) of G.O. No. 369 dated 7th March 1895. The necessity for such an appointment will be ap- parent from the following considerations:—

(1) Under Grant I This Council annually
spends more than Rs 20,000.

(2) Time was when the construction of a
tarpin here and a tunnel there with
the laying out of a few bunds of road
every year was all the work that had to
be done by the person in charge of the
Public Works of this town. The needs of
the Municipality have increased with
the increase of revenue and the present
incumbent, who is a willing and hard-
working officer, ^{and} possesses a practical
knowledge of road-making and the
construction of buildings of a simple
nature, is not far from equal to the plan-
ning and designing of work requiring
trained knowledge and skill.

(3) Every time that levels have to be taken
for a sewage drain or any similar use-
ful work, the services of men in the
Sanitary Engineer's Department have
to be engaged.

(4) By employing a "well trained professional"

The Council may ordinarily save the ad-
ditional charges on account of the
Drainage Works or of the Sewage Works. The
trained overseer may attend to all these
works under instructions from the San-
itary Engineer.

2. The resolution sanctioning the pay of
the trained overseer is enclosed.
