SIR,

In reply to the enclosed order of Government, No. 831, dated, the 20th June 1895, referred to me for remarks, I have the honour to submit herewith copy of letter No. DR 521/16.7.95 from the Assistant Inspector of Schools, First Division, from which it will be observed that neither the Headmaster of the Middle School nor that of the Primary School deserves any increase, that the latter is uncertificated and that it is not difficult to replace him by a better man even if he should resign his appointment

grade teacher. He does not hold a Teachers' Certificate and it is not difficult to fill up his place by a certificated teacher if he leaves the Department for want of encouragement.

Besides the middle school, there are 8 schools in the town of which 4 are maintained from municipal funds. The Superintendent did in the previous years nothing to materially improve them and I am not for the allowance being granted to him again when it had been once withdrawn.

I am to inspect the schools in October next and if I then find them in a flourishing condition and the Superintendent painstaking I shall advise the Council to provide for his allowance in 1896-97.

to submit that the Municipal Council, Bin-

to the Headmaster, Municipal Town Primary
School, and for the restoration of the Superintendent
into allowance of Rs 6, do not commend them-
selves to me especially as the schools in the
town were very badly worked last year and as
the Headmaster draws at present Rs 12 in addition
to the result-stipend, though he is only a Lower

To

Post St. George Local Mupl. Deptt
Madras.

Sir,

I have the honor to bring to your notice that the Head master of the Town Primary School here has been in the service of this Municipality for the past three years, during which time he has been working very satisfactorily and the results of his school have been exceptionally good during 93-94 & 94-95. He applied for an increase after the budget was sent in and he was informed that owing to the want of funds I regretted that nothing could be done. But now as our financial position is better than when the budget was sent in I recommend that he be allowed an increment of Rs 3/- to enable me to retain him in this Municipality.

2. The Head master Middle School who is the Superintendent of all the Municipal schools in this town & who used to receive a remuneration of Rs 5/- for his extra work was disallowed it owing to the deficiency in the Mupl. Fund. The total revenue & other items of this nature fetched more than the amount budgeted for. I request you will be good enough to obtain sanction of Govt. for the continuance of the amount.

3. Although it is quite clear vide G.O. No 10942 of 14 June 1894 that no proposals for increases should be submitted after the budget is passed I request you will kindly consider these as special cases & obtain sanction of Govt. & communicate to me the orders on the subject at an early date.

I have the honor to be,
Sir,

Your most obedt. Servant.
