From

LOCAL AND MUNICIPAL DEPARTMENT.

Current No. S. 2321, 2370 & 2397 M.

FOR ORDERS.

The first of the current reads above is the Chairman's report of an election held at Trichinopoly on 29th June last to fill up a vacancy in the Municipal Council. The second is a telegram from U. S. Chellappa Chetti, the unsuccessful candidate, stating that an objection petition put in by him was improperly rejected by the Collector as being out of time and praying that the result of the election may not be notified pending orders on a petition which he

he was submitting. The third
current is the petition referred to.

2. The election was held
on the 29th June, and the ab-
-jection petition, though dated
13th July is stated to have been
received by the collector only
on the 15th July. The collector
rejected it as being out of time,
i.e. not submitted within 15 days
after the date of the election.
(Rule 35.)
The petitioner, on the other hand,
affirms that it was posted on the
13th and must have reached
the collector on the 14th (Sunday)
but was apparently seen by that
officer only on the 15th, the
tappal not having been opened by him
on the 14th.

3. It is submitted that
if the facts as stated by
the petitioner, and regarding the
a reference to the Collector would
appear necessary, the Collector
should have accepted the ab-
-jection petition and dealt with
it according to the rules, as
it

it was no fault of the petitioner
that the 15th day after the election
fell on a Sunday — a day on which
the collector probably did not
open the tappal.

V.R. The Board of Revenue
30/7/95 have thought it "equitable"
to allow an appeal in a
similar case (in R. B.P. 270 Sep R.
15295)

Section 5 of the Limitation
Act also applies to some extent.
Submitted therefore that the
Collector be asked if the facts
are correctly stated, that if
they are the facts must be
ruled in time.

W. S. 95
I think that if the petition was received
on the Sunday it must be held
that in time, and the Collector
must be asked to 14/8/95

Order

The file will be forwarded to the Collector. If the statements made in it as to the date of receipt of the Collector are correct it was in the opinion of Govt. in time & should be dealt with according to the rules in the ordinary course.
