CURRENT No. 2385/M

From

E. C. Rawson Esquire,

Ag. Collector of

Tanjore

To

The Chief Secretary to Government,
Local and Municipal Department,
Madras

Sir,

With reference to Government order, dated
7th June 1895, No 950 M. Mis, Local and Municipal,
I have the honor to report as follows:-

2. The maximum strength of the Negapatnam
Municipal Council is 24; one half of this is
elected by the rate-payers and the other half
nominated by the Collector. The proportion
of the official and non-official Councillors
is $\frac{1}{4}$ th and $\frac{3}{4}$ th respectively of the total strength
or 6 and 18 Councillors.

3. On the representation of the Nagore inhabitants, it was decided in Government Order dated 4th September 1885 No 477 M (Misc) that Nagore should have one third of the non-official representation on the Council i.e. one third of the 18 Councillors, namely, 12 elected and 6 nominated. Since the issue of this order, it has been arranged that Nagore should be represented by 4 elected and 2 nominated non-official Councillors.

4. Accordingly on the present date, the non-official representation actually consists of

Elected	
1. S. Chinnatambi Marakayar, Sahib Bahadur	4 elected and
2. M. Oothumalevai Marakayar, Sahib Bahadur	2 nominated
3. M. R. Ry. K. Nagalinga Chettiyar Avergall	Councillors for
4. M. R. Ry. S. Subbramaniya Aiyar Avergall	Nagore. Vide
	margin.

Nominated	
1. M. R. Ry. P. Ananthanayar Avergall	Among the
2. Chinn Marakayar Malumiyar Sahib Bahadur	1/4 th proportion
	reserved for
	official

official representation, there are at present only 2 officials (1. Ex-officio Divisional officer and 2. Nathed Muhammad Osman Sahib Bahadur Civil Surgeon Negapatam) and as it is desirable that this proportion should be filled up by persons who are unconnected with this or that ward in the Municipality, but who are at the same time able to represent impartially the interests of one and all the wards, I beg to recommend that M. R. Ry. P. Theenathayalu Naidu Garu, Tahsildar of Negapatam may be appointed to the vacancy in the Negapatam Municipal Council caused by the retirement of M. R. Ry. Andapillai Chettiyar of Nagore on 29th March 1895 and to request that the enclosed draft notification may be published in the Fort Saint George Gazette in the event of Government approving

my recommendation. A list showing the
present Constitution of the Council is enclosed.

I have the honor to be,

Sir -

your most obedient servant

Submitting nomination for

Cur. 2385 M.

Please see the notes & order in
 go. 950 M.
 26.95

The go. 477 M. said that
 4.9.95
 the Collector should arrange that
 Nagore should have in future "one third
 of the non-official representation".
 The Collector of Tanjore in the
 above current argues that it has
 this already. For the full
 strength of the Council is 24.
 Under sec 11. of the Act 6 of 1883
 are officials & 18 non-officials.
 $\therefore$ Nagore has to have $\frac{18}{3}$ or 6
 members altogether. Of these
 18 non-officials 12 are elected &
 6 nominated. $\therefore$ Nagore should
 have $\frac{12}{3} = 4$ elected members, and
 $\frac{6}{3} = 2$ nominated members. These
 it actually has at present, & should
 be content.

It is respectfully submitted that
 the Collector's calculation is correct,
 that go. 1274 M.
 1.12.87
 Sir P. P. Hutchins' order in the

26/7 1897

seems to overlook the fact that it is one third of the non-official members that Nagore should have. The following

Mr. Meyer's note ~~substantiates the four elected members from the~~ appears to have confused the distinction between nominated & elected members with that between official & non-official members.

Mr. Meyer says the Council consists of 24 members, 12 elected & 12 nominated. Of the 12 elected, 4 come from Nagore, so that is right so far.

Of the 12 nominated, 3 are officials, & of the remaining nine non-officials one third, or three, should come from Nagore.

This calculation left out of account the fact that the proportion of officials & non-officials among the nominated members might alter in future, & that the nominated officials might, under sec 11, be as many as six.

The calculation proceeded upon the ~~then~~ existing Constitution of the Council, while the Collector in the present current desires that it should proceed upon the constitution of the Council as it might be under sec 11.

Submitted to the Collector is right, that G.O. may be modified 18/8/95

ORDER. 17/8/95 No. 1354

Upon reconsideration of the matter the Govt. is of opinion that there is much reason in the Collector's proposals representations. G.O. dated 7th June 1895. No. 950.M. will accordingly be modified, & in future the Suburb of Nagore will be permitted to be represented by one third of the eighteen non-officials who may under sec 11. of the act, have seats upon the Council; & as twelve of these eighteen are elected & six nominated, the Nagore representatives should be four elected non-officials & ^{two} nominated non-officials.

2. As Nagore has at present the above number of members on the Council, the Collector's nomination of the Tahildar of

to overlook the fact

Nagafatem to a seat upon the
Council will be approved &
published in the Gazette.
