CHIEF SECRETARY
28 AUG 95
GOVERNMENT OF MADRAS

We have the honour to bring to your notice that we are still without reply to our letter of 18th ultimo respecting the nature and extent of the powers conferred by Government on the Consulting Engineer for Railways.

We are now fast proceeding towards the completion of Section II which makes it more important that the position should be made clear to us.

There are also other matters pending, such as the re-equipment of Section I on the overhead system & others regarding the safe guarding of the interests of the existing Telephone and Cable Company which make a clear understanding indispensable. Vide enclosed letter from the ap. Consulting Engineer.

The reply to you on 20th of the 20th
has been to again point out to you that of the
prohibition have not been agreed upon at a meeting
as to many have not. There are some other decisions on
both the telephone & telephone companies have agreed to
suspend action until the effect of the contract is known
which we have not yet put in with as fast as we
could have been there.

You are therefore asking more than the
the fishing, which is not agreed by you in
decisions that in future the telephone
shall be granted.

The very intention of the contract is
inhibited by the telephone companies. It is not
very favorable effect on the telephone companies

Note.

L.M. must it be submitted, itself
refer to Messrs. A. & Co.In G.O. 1213.M. they were
told that the Consulting Engineer had
been given no further powers, but
that the tramway papers were
kept with in D.P.S. (Railway Br.)
instead of in L.M. Thus they
propose to find unintelligible. Mr.Wheeler, to whom I spoke about the
matter, thinks this is false, & is an
excuse for not following orders recently
issued from his Dept. At the
same time Mr. Wheeler's letter to Messrs.A. & Co. within convey a final order
though it purports to have come from
the Cons. Engineer. It should
probably have been in G.O. form.

The mistake is not likely now to recur.

Again, the draft suggested with, it is
hoped, stop further correspondenceIt will be explained to Messrs. Arbuthnot & Co. in continuation of G.O.
dated 29th July No. 1213.M. that
the Consulting Engineer is also
Joint Secretary to Govt. in the
Dept. of Public Works, Railway Branch.
All matters relating to the Madras
Tramways are now dealt with in
that Dept. of Govt. instead of in
the Local & Municipal Dept. as
formerly, & the orders of Govt.
in that dept. ^{are} issued under the
signature of the Joint Secretary
have the same force as orders in
the Local & Municipal Dept. ^{issued by} ~~over~~ the
signature of the Chief Secretary.
