To

Mr. R. S. S.

P. Veerasani Naidam

President Taluk Board

Siddhantham.

The humble petition of N. Sreenivasulu  
Head clerk Taluk Board's office, Siddhantham.  
most respectfully sheweth:-

1 That the humble petitioners was in  
the first instance appointed military  
pension clerk in the Collector's office, Add.  
on the 9th April 1881, when this appointment  
was a non-pensionable one, and then in  
to better his prospects he was transferred to  
appointment in the Local Fund District Board  
office on the 21st October 1881 which was the  
pensionable.

2 That unfortunately to the petitioners  
a few days after his transfer to the Local  
Fund Department that is in November 1881  
Government order No. 906 of 20.5.81  
the service in the Local Fund Department  
non-pensionable.

non-pensionable in the Case of men entertained on or after the 20<sup>th</sup> May 1881.

3 That in this Connection, the petitioners beg to submit in like the other general orders received from time to time, this Government Order was given retrospective effect and the petitioner was thus deprived of the benefits of the pensionable service, & he could not foresee that his transfer to the Local Fund Service would lead to such an unfortunate termination.

4 That Subsequently in 1886 Government Order No. 325 Pension, was received, in which <sup>23.3.86</sup> it was ruled that Service as military pensioner be qualified for pension retrospectively in the Case of all those that were in Government service on the 15<sup>th</sup> July 1885, and it will thus be seen, that if the petitioner had remained his first appointment as military pensioner the tenure of his whole service from April 1881 to this date would have been pensionable.

5 That he further begs to submit that in this Case if the Government Order No. 906 of <sup>20.5.87</sup> had

had not been given the retrospective effect from 20<sup>th</sup> May 1881 or if he had not been transferred to the Local Fund Department from his first appointment as military pensioner, he would not have lost the benefit of enjoying pensionable Service, and that therefore earnestly begs to submit that his Case deserves the benign Consideration of the Government.

6 That however in 1893 the Government on the recommendation of the District Board ordered in Government Order No. 1795 of <sup>16.8.93</sup> to levy a Contribution Equivalent to one-tenth of the pay from all the Local Fund Accountants & clerks entertained in Local Fund Service subsequent to May 1891 in view to make their appointments to pensionable and that the petitioner having been unfortunately deprived of the chance of pensionable Service as under the circumstances explained above, subjected himself to the payment of Contribution of Rs. 3 per month to get his Service pensionable from his hard earned poor salary of Rs. 30 per month which is not even sufficient to cover the ordinary daily Expense of his large family.

7 That by the version of the Government  
Order No. 325 Pension the Services of the petitioner  
from 9<sup>th</sup> April 1881 to 21<sup>st</sup> October 1881 became  
pensionable but that by his transfer to the  
Local Fund Department on the 21<sup>st</sup> October  
1881, he lost his claims for pension by the  
operation of the Government Order No. 906 71  
20.5.81  
Though the Local Fund Service to which  
he was going to, was pensionable at the  
time when he entered it, as the said Government  
Order was <sup>not</sup> then communicated to this  
District and that the petitioner therefore keeps  
to submit that as he entered the Local Fund  
Service being ignorant of the fact that  
that Service would be made non-pensionable  
and as he entered that Service prior to the  
receipt of the Government Order declaring  
the Local Fund Service non-pensionable  
and that as the above Government Order  
was unlike other Government Orders which  
usually take effect from the date of their receipt  
in the office to which they are communicated  
giving retrospective effect it would be equitable  
to consider the petitioner's request as a special  
Case.

8 That the petitioner further keeps to

submit  
and

submit that it would be too late and a  
great hardship for him now to contribute for  
pension (which he is now paying just from  
January 94, being compelled to do so)  
as greater portion of his service namely  
14 years service, which he has already put  
in would not count for pension even if  
besides when his age is now come to nearly  
40 years the chances for the petitioner who is  
a passed man to better his prospects  
by entering into any of the pensionable  
branches of the Government service in order  
to free himself from the above difficulty,  
are very rare. under these circumstances it  
is very hard upon <sup>the</sup> petitioner if his miserable  
Case may not be complied with by Government  
as ordered in G.O. No. 2419 L. Mis.  
6.10.91

9 That the petitioner therefore  
respectfully begs to request that (1) Either  
the little period of his service from 20<sup>th</sup> May  
1881 to 21<sup>st</sup> October 1881, may be declared  
pensionable so that his past service may  
be rendered pensionable or (2) that the salary  
Board may be allowed to contribute on the  
petitioner's behalf or (3) that the petitioner

N. Sreenivasarao Head Clerk Taluk Board  
office Siddhanattam requesting that the short  
period of his service from 20<sup>th</sup> May 1881 to  
21<sup>st</sup> October 1881 may be declared pensionable  
as to prevent his past service of 14 years becoming  
unpensionable or that the Local Board may  
be made to pay the amount he is paying  
as Contribution to render his service pensionable  
or that his pay be increased by Rs 3, as a  
personal allowance, the amount he is paying  
as Contribution.

Resolution— The Board are of opinion  
that the case is a hard one, & propose to request  
Government to relax the G.O. 906 F  
dated 20.5.1881 in petitioner's favor  
by allowing the short period of about  
5 months as pensionable.

Sir,

I have the honor to submit  
herewith the marginally noted papers  
for the favorable consideration  
and orders of Government.

Hea

1 Extract from the resolution  
of the Taluk Board dated 25<sup>th</sup> May 1895.

2 Petition.

Head Clerk Taluk Board's office  
Siddhanatham for a relaxation  
of G. O. No. 906 Financial. which retros.  
20.5.81  
-pectively declares that in the case of  
servants entertained in the Local  
Fund Department before 20<sup>th</sup> May  
1881 service counts for pension but  
not to those entertained thereafter.  
This G. O. was not received when  
Sreenivasaham first entered the Local  
Fund Service on the 21<sup>st</sup> October 1881  
and it was the fact that such service  
was pensionable that induced him  
to give up his former post of a  
military pension clerk in favor of  
Local Fund Service. As military  
pension clerk he was first entertained  
on the 9<sup>th</sup> April 1881 and if he had  
continued in the same his service  
would

would have become eligible for  
pension under G. O. No. 325 Pension  
23.3.86  
which declares that service as military  
pension clerk qualifies retrospectively  
for pension in the case of all men -  
entertained before the 15<sup>th</sup> July 1885.  
But by changing the department as  
above mentioned he has technically  
lost the benefit of both of these  
Government Orders. And these  
orders have really worked a hardship  
in his case for the first order of  
Government unexpectedly operated  
as a prospective disadvantage in  
the Local Fund Service while the second  
order gave retrospective concession  
in the department once quitted by  
him in hopes of getting a pensionable  
service.

3 All that the petitioner  
prays

prays for, and the Taluk Board  
supports, is that inasmuch as he  
was a military pension clerk enter-  
-tained before the limit prescribed  
by G.O. No 906 ie 20<sup>th</sup> May 1881 and  
service as such has since been declared  
pensionable, the same concession  
as has been granted for Local  
Fund servants entertained before  
20<sup>th</sup> May 1881 may be extended to him  
also; and this request seems to be  
reasonable in the peculiar circumstances  
of the case; and in consideration  
of his continuous service of nearly  
14 years, as military pension clerk  
from 9<sup>th</sup> April to 20<sup>th</sup> October 1881  
and as Local Fund clerk from  
21<sup>st</sup> October 1881, I think he deserves  
the special consideration of Government.  
And if this request is granted he  
might

might be exempted from the  
necessity of contributing to  
Government for his pension a  
sum of Rs. 3 per mensem from his  
salary which he has been paying  
from 1<sup>st</sup> January 1894 under  
G.O. No. 1795 L.
