PUBLIC INSTRUCTION,

Madras, 29th July 1895.

No. 8084

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

FORT ST. GEORGE.

SIR,

With reference to G.O. No. 294 L
This, dated 15th February 1895 I have the honour
to submit copy of letter No. ¹⁵¹⁷ 29.4.95 from Mr. J. Mathai,
the then Sub Assistant Inspector of Schools, Palghat
Range, from which Government will be pleased
to observe that early efforts were made by the Sub-
Assistant for the opening of two schools in the
Wynaad Taluk, but in vain; and that the delay in
the submission of the proposals could not well be
avoided.

I have the honour to be,

Sir,

Your most obedient servant,

D Duncan

Director of Public Instruction

of the new schools were, if I remember right, recommended for salary only with effect from 1st October '94 as they could not be considered to have deserved anything prior to that date. Thus it will be seen that the delay in the establishment of the new schools was quite unavoidable so far as the Sub Assistant Inspector was concerned.

I have &c

Director of Public Instruction

The few results Schools that existed were, more nominal mushroom schools, so that I was unable to accept the Inspecting Schoolmasters' recommendation to have two of them converted into Salary Results, one of them having been about the same time pointed out by the President himself. As the time for my annual visit to Wynaak was then approaching, I thought it safe to have the matter settled at the spot. During the latter part of September '94 I inspected the schools in Wynaak and had an interview with the President as to the establishment of the new Salary Result Schools. I then gave the Inspecting Schoolmaster personal instructions as to the submission of his recommendations. As these recommendations were not forthcoming till the end of the following month I called upon the Inspecting Schoolmaster in memorandum N^o. 4677 dated 12th October 1894 (copy enclosed in his letter) to submit the same by return post. The teachers of

Sir,

With reference to your endorsement
No. 921 m dated 20th April 1895, herewith returned, I
have the honour to state that in the absence of
the necessary records, which are now not in my
charge, and to which I have no access, I regret
I am unable to submit the full explanation
called for as definitely as I wish.

2. So far as my memory goes, I do not think I
have ever received a call for the submission of
proposition statements for revision of establishment
of Schools in Wynaad. The only thing required was
the utilisation of an allotment made in the budget
for the establishment of two new schools. Efforts
were being made from the very beginning of the
year to start two schools but without success
on the part of the Inspecting Schoolmaster.
