Sir.

With reference to the questions raised in the correspondence ending with your letter no 268 dated 11th June 1895, I have the honor to State that, after giving the Subject my best consideration and while appreciating fully the difficulties urged on behalf of your municipality, I do not See ~~any~~ my way to ask the District Board to advance the funds required for reconstruction and maintenance of the Yeleru Bridge on any terms more favorai than those embodied in the memorandum herein Enclosed. I think it needless to enter into the reasons which Suggested the said terms as the matter has been fully discussed by us this morning.

2. As the Board has admittedly nothing to do with Iron girder bridge between Cocanada and Jagannaikapur, the Board cannot reasonably be asked to entertain any proposals as regards its future maintenance.

3. I trust that the terms herein proposed with a view to put an end to this vexed controversy, will meet with the acceptance of your council, and, on your intimating to me that they have been so accepted, I shall take the necessary steps to obtain the approval of the District Board and the sanction of Government to the same

Sir,

With reference to G.O. dated 20th May 1895 no 864 M. mis, I have the honour to submit herewith a copy of the council's resolution on the subject of rebuilding the bridge over the Yeleru river.

2. The council accepted the proposal made by the President District Board Godavari in memorandum forwarded with his letter Ref on Cur no 1291/DB, dated 22nd June 1895. Copies of the letter and memo are herein enclosed.

3. Considering the present financial position of the municipality, the council

earnestly solicits government to allow the District Board to hold permanent debentures from the Municipality, and receive interest annually, without claiming the principal at any time, so as to enable the Council to provide funds for other urgent and important works, such as repairs of roads etc. If this cannot be done, the council will repay the principal in due course as proposed by the President of the District Board.

I have the honour to be

FOR ORDERS.

Please see the notes and orders in G.O. d/ 20th May 1895, No 864 M.

2. With the current read above, the Chairman submits copy of a letter from the President, district board, Godavari, from which it appears that the district board has undertaken to reconstruct and maintain the Yeleru bridge & provide suitable means for carrying fresh water to the town in lieu of the present water girder on condition,

(1) that the Cocanada municipal council pays interest at 4½ percent on all money advanced for the said works by the Boa
and

(2) that the a

advanced is repaid by annual instalments of not less than Rs 1,000 commencing from the official year 1902-1903.// The municipal council has accepted these proposals but requests that in consideration of the financial position of the municipality, the Government may allow the district board to hold permanent debentures and receive interest annually without, at any time, claiming the principal. The President, however, says in his letter to the Chairman that he cannot see his way to ask the Board to advance the required money on terms more favourable than those above referred to & this is not a matter for the interference of Government. The arrangement proposed by the Board and accepted by the municipal council, it is submitted seems reasonable and may be approved.
