CS. order 2/8/95 No 1378

The actual receipts of the Council in 1894-5 amounted to Rs. 15.455 while the charges for the same period were Rs. 19.243, or Rs. 3.758 in excess of the income. Nor were there any considerable outstanding assets. From the reports of the local inspecting officers it appears that the roads require additional expenditure & that many sanitary defects ^{call for} require immediate attention.

2. It is evident that the present resources of the Council are not sufficient to meet the calls upon them that are likely to be made in the near future & the Govt. accordingly ^{understanding of the fact} resolves to call upon the Council to show cause within one month of the date of receipt of this order why the tax on arts should be imposed in the Municipality.

FOR ORDERS.

Although a large sum of Rs 4,162
was spent in 1894-95 on the up-
keep of the roads, their condition is
said by the Revenue Divisional Officer
to be only "tolerably fair" and there
are several other sanitary measures,
especially the improvement of the
watersupply & drainage of the town,
which require immediate attention.

Under these circumstances, it is for con-
sideration whether the council should
be called upon to show cause under
section 49 of the District Munici-
palities Act, why the arts tax
should not be imposed in the town.

This I submit is a determined
attempt on the part of the
municipality to get out of a tax which
should be imposed. The whole
of the municipalities in the Comtatone
district have grown under
the rule & have never been able
to thus escape the Arts Tax.
It is quite time that they should

do

Current No. 2189M.

From the Collector of Coimbatore.

FOR ORDERS.

In his letter disposed of in
G.O. dated 24th October 1894, No. 1542M., the
Chairman, municipal council,
Erode, brought to notice that, owing
to the removal to the municipal
limits of the toll gates situated at
the junction of the Satyamangalam
& Bhavani roads, the length of
roads in charge of the mun-
icipal council had increased by
nearly a mile, that the roads in
the town required thorough repair
and that the limited resources of
the municipality would not per-
mit of any large allotments being
made for the purpose without
affecting

N^o 2. Read No 440 m of 14 March 1895, reviewing the Erode Municipal Budget for 1895-96 and the report of the Sub-Committee thereon.

There has been an increase of Rs 1000 in the tolls and the house and land taxes were revised only towards the close of 1892-93. The Council would therefore request Government to permit it to defer the consideration of the question till the beginning of next year.

With reference to the remarks of Government in para 3, the Council respectfully ventures to state that in proposing an enhancement in the rates of tolls its object was not to utilize the additional income.
