As the proposed boundaries of the
municipality as defined in the draft notification
are not traceable on the plan forwarded by the
Collector, he will be requested to submit a sketch
drawn to scale showing clearly the present
and the proposed boundaries. The latter of which
should be delineated by the several identi-
fying marks referred to in the draft notifica-

To

Chief
The Secretary to Government,
Local & Municipal Department,
Madras.

SIR,

According to Government Order No. 590.M. Misc. 2. 4. 95, I have the honor to submit a sketch showing the present and proposed boundaries of the Vaniyambady Municipality together with a draft notification for the proposed inclusion of Puthur within the Municipal limits.

2. It is impracticable, as has been reported by the High Assistant Collector, to define the boundaries by means of survey numbers owing to the fact that the extent to be added to the Municipal limits, forms part of the Ambocipatt mittah in which the lands roughly surveyed at the old Puzhass, have not been mapped so as to show, at a glance, the numbers or names of the fields
