PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following letter from A. W. B. HIGGENS, Esq., Collector of Tinnevely, to the Secretary to the Commissioner of Revenue Settlement, and Director of the Department of Land Records and Agriculture, dated 1st June 1895, Ref. A on Perl. No. 88-Gl. :—

I have the honour to forward the programme of famine relief works for 1895-96. The approximate cost of the works proposed amounts to Rs. 36,43,000 and it is estimated to afford employment for a period of three months to 485,731 persons, or about 25·35 per cent. of the population of the district. The return from the Executive Engineer was received only on the 26th May.

READ—the following letter from A. W. B. HIGGENS, Esq., Collector of Tinnevely, to the Secretary to the Commissioner of Revenue Settlement, and Director of the Department of Land Records and Agriculture, dated 4th June 1895 :—

I have the honour to request that the corrections as per enclosed lists may be made in the statements A and C of the programme of famine relief works for 1895-96. A detailed statement of forest roads is also enclosed.

RESOLUTION—dated 5th July 1895, No. 197.

The abstract of the programme of famine relief works for 1895-96, received from the Collector of Tinnevely, will be submitted for the information of Government.

2. The programme contains provision for the construction of two new unsanctioned irrigation works at a cost of 22 lakh of rupees and for repairs to existing works to cost 8·89 lakhs; for the construction of 924 miles of new roads at a cost of 20 lakhs and for repairs to old roads 3·85 lakhs; for works for the improvement of drinking-water supply 1·46 lakhs, and for other miscellaneous works to cost 2·01 lakhs. The last item includes Rs. 1,56,340 for land improvements to be executed with the aid of State loans. The total provision made amounts to Rs. 36,42,983 and the works are calculated to be sufficient to provide employment for three months to 25 per cent. of the population of the district. The provision made is, however, slightly below the minimum in Tinnevely and Tenkarai.

3. Estimates are stated to be ready for works to cost Rs. 7,66,054 or 22 per cent. of the total provision, exclusive of the land improvements, for which no estimates are required.

4. The corrections noted in the lists received with the second letter read above have been carried out in statements A and C submitted with the first letter. It is observed that the amount appearing under the small road-works in the programme, includes a sum of Rs. 19,300, being the estimated cost of works proposed by the Forest Department. There are also a few other works shown in detailed statement A, but excluded from the programme for want of information as to their cost. The District Forest-Officer has, however, been instructed by the Collector to give the cost in future in such cases roughly at least.

5. *Statement A.*—(a) Columns 3 and 4 of this statement should have been subdivided into “sanctioned” and “not sanctioned” as directed in paragraph 2 of Board’s Proceedings, No. 360, dated 6th September 1894, and the amounts for large works should have been entered in the appropriate columns. The Collector has given the required information in column 2 but not clearly.

(b) The total amount of the miscellaneous works in the Srivilliputtur taluk for which detailed estimates are ready is Rs. 4,600 and not Rs. 4,900.

Statement B.—(a) The cost of repairing the 136 Revenue Department irrigation works in the Tenkasi taluk, entered in column 9 of the statement, should be Rs. 49,227 instead of Rs. 49,277.

(b) The total numbers of irrigation works in the Srivilliputtur and Ottapidaram taluks for the repair of which provision has been made are entered in this statement as 89 and 51, but from statements A and C the figures appear to be 97 and 54, respectively.

Statement C.—(a) The total length of the three new sanctioned roads in the Nanguneri taluk is $30\frac{3}{4}$ miles—*vide* detailed statement A, and not $13\frac{3}{4}$ as entered in column 14 of this statement. The errors noticed above have been corrected in the copies of the statements submitted to the Board. The Collector will be requested to revise similarly the statements in his office.

6. There has been a delay of full two months in the submission of this programme and the Collector ascribes it to the late receipt of the return due by the Executive Engineer. Such delays ought to be avoided.

(True Copies and Extract.)

(Signed) P. RAJARATNA MUDALIAR,
Secretary.

To the Secretary to Government, Revenue Department.
“ Collector of Tinnevely.
“ Secretary to the Commissioners of Land Revenue.

Exd. W. J. Lewis.
