Sir. Rule 2 of the "rules for the
election of chairman" states that
no elections will be recognised as
valid unless the successful candidate
obtains the votes of more than half
the total number of members
then on the Council.

In the Vellore Municipality
there are 19 Councillors at present
such being the case what number
should be considered as half that
number and what is the number of
votes a candidate should obtain
to be successful.

I respectfully request
the favor of a very early reply to this
communication.

I beg to remain
Sir
Your most obedient
servant
