Recording report on the cattle fair held during the Chitra festival at Madura.

Report of the Cattle fair held at Madura during the late Chitra festival as per form laid down in G.O. 295 P. 20.3.88

District	Name of Reporter	Name of festival and place held	Date of festival	No. assembled	Accomodation and Sanitary arrangements	Water Supply	Conservancy	Epidemic	General health	Recommendation	Remarks
Madura	T. Chittambaram Pillai 2nd Class Hospital Assistant No. 338	Chitra festival Near Tamukkam Bungalow Madura	From 6th May 1895	About 4000 Bullocks 28536	The market site were daily well cleansed by special establishment under the supervision of Municipal authority. The people lived under Carts and in small triangular tents with a pole in the Centre. Separate shed have been provided for the use of dispensary, Police Guards, Sub Magistrate's office and for Cattle disease Inspector. For the use of Visitors 4 pandals have been erected.	There were seven stone troughs worked by Hydrants. The pipe water was scarcely insufficient for the persons in the Cattle fair as the spring water from main filter bed was less to supply the town and fair. Therefore people in the Cattle fair was obliged to make free use of tank water for drinking and watering their Cattles. The Mariamman tank had been filled up as usual. 4 water sheds have been erected.	8 Temporary Latrines with two Compartments for male and female were opened in different parts of the Cattle fair. The night soil was buried in a trench behind each latrine with dry earth. Latrines were supplied with Tatties, Sand was spread in the Latrines after each cleansing.	34 patients have been treated for different diseases. No Epidemic of any kind broke out this year in the Cattle fair.	The General health of the people on the whole was very satisfactory.	I think it necessary that permanent structures should be erected at the fair. This will save the expenditure incurred annually in the erection of temporary sheds.	Not approved F. Clowes D.M.O. Certainly not. [illegible] Ag. C.S.W.

employed for the cattle fair.

2. Rubbish was removed to the Depôts close by the fair by engaging extra carts, at the cost of the Municipality, and disposed of by sale.

3. The quantity of water supplied from the Public fountains was wholly insufficient; in fact the fountains received a very scanty supply of water from the pumping station, and were it not that the Managiri and other tanks close by received a supply of water from the river, the people and animals would have suffered much.

I have the honor to be,
Sir,
Your most obedient Servant,

Chairman

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From R. FISCHER, Esq., Chairman, Municipal Council, Madura, to the Collector of Madura, dated 16th July 1895, No. 704.

With reference to your foot-note No. 2610-Genl. of 1895, on copy of communication from the Sanitary Commissioner, Madras, I have the honour to state that 104 toties and 239 sweepers, with 377 chittal coolies to assist the latter, were employed at the cattle fair.

2. Rubbish was removed to the depôts close by the fair by engaging extra carts at the cost of the municipality and disposed of by sale.

3. The quantity of water supplied from the public fountains was wholly insufficient; in fact the fountains received a very scanty supply of water from the pumping station, and were it not that the Managiri and other tanks close by received a supply of water from the river, the people and animals would have suffered much.

ENCLOSURE.

REPORT of the Cattle fair held at Madura during the late Chitra festival as per Form laid down in G.O., dated 20th March 1888, No. 295–P.

d/a/ a/

District.	Madura.
Name of reporter.	T. Chithumbarum Pillai, second-class hospital assistant, No. 338.
Name of festival and where held.	Chitra festival. Near Jamukam Bungalow, Madura Park.
Date of festival.	From 6th May 1895.
Number assembled.	About 40,000. Bullocks, &c., 23,536.
Accommodation and sanitary arrangements.	The market sites were daily well cleansed by special establishment under the supervision of municipal authority. The people lived under carts and in small triangular tents with a pole in the centre. Separate sheds have been provided for the use of dispensary, Police Guards, Sub-Magistrate's office and for Cattle Disease Inspector. For the use of visitors four pandals have been erected.
Water-supply.	There were seven stone troughs worked by hydrants. The pipe water was scarcely sufficient for the persons in the cattle fair, as the spring water from main filter bed was less to supply the town and fair. Therefore, people in the cattle fair were obliged to make free use of tank water for drinking and watering their cattles. The Managiri tank had been filled up as usual. Four water sheds have been erected.
Conservancy.	Eight temporary latrines with, two compartments for male and female, were opened in different parts of the cattle fair. The night-soil was buried in a trench behind each latrine with dry earth. Latrines were supplied with toties; sand was spread in the latrines after each cleansing.
Epidemic.	Thirty-four patients have been treated for different diseases. No epidemic of any kind broke out this year in the cattle fair.
General health.	The general health of the people, on the whole, was very satisfactory.
Recommendation.	* I think it necessary that permanent structures should be erected at the fair. This will save the expenditure incurred annually in the erection of temporary sheds.
Remarks.	* Not approved. (Signed) F. C. REEVES, Surgn.-Major, *District Medl. and Sany. Officer.* Certainly not. (Signed) J. TWIGG, *Ag. Collector.*
