Letter No 1006 from the President

District Board forwarding for consideration
of the Board an estimate for Rs 8300
for the construction of feeder roads to
the Pennar Railway Station.

The Taluk Board fully agree
with the President District Board in
thinking that the cost seems to be

out of all proportion to the benefit
to be derived from the roads.

Order 17/8/95 No. 1417

The resolution of the Taluk Board will be communicated to the Public Works (Railway) Department in continuation of G. O. dated 10th July 1895, No. 1194 L.

Note.

The mere communication in this manner of the Taluk Board's resolution will mean that Govt. does not choose to urge upon the Board the necessity of constructing the road. The Budget 90. shows however that the Board had a reserve of only 3. per cent in each case, & the statement shows that the Govt. Board was so poor that it had to be largely helped by the District Board. Submitted therefore that in face of the protests

The Public Works (Railway) Dept.
President, District Board, Anantapur.
of the local officers, Govt. need not force upon the Board the construction of a considerable cost of a road that does not appear to be violently needed.
