"I. Read Chairman's note dated the 5th August calling upon the Committee to consider what reductions can be made in municipal expenditure to meet the loss of Rs 5,300 which it is roughly estimated will occur by the relinquishment of land tax appropriated to buildings, and also to consider from what source funds can be provided to meet the costs of the suit in Mr Clarke's case and refunds in other cases."

"The Sub Committee is of opinion that the reduction in establishments proposed by the Chairman may be accepted in order to bring about a financial equilibrium. A saving of Rupees 1,000 approximately for the half year will result:-

Public works — Rs 1620
Sanitation — Rs 696
