Sir,

With reference to your letters nos 484 & 811 dated 13th Nov 94 & 12th February 95 respectively we have the honor to furnish you with our views on the subject.

We have gone through all the appeal petitions and have made personal enquiries into the state of houses as well as into the personal conditions and status of the inmates. We find that most of them deserve to be exempted on the ground of poverty. We therefore recommend that the assessment of thatched houses should be deferred to some future year. All the papers in connection with the above are herewith returned.
