Returned with the information ~~that~~ though the notices of the meetings held from and after the 10th January 1895, have, in the usual course of business, been sent to his usual abode in the Municipality, yet, as his "whereabouts" have not been duly intimated, as they should have been, by this Councillor, who unmistakeably admits his prolonged absence from the station & his continual movements from place to place, the latter do not seem to have been actually delivered.

2. It cannot appear, however, that his failure to give the necessary intimation of his varying addresses from time to time might [illegible] be construed as though he has had no interest in attending the meetings, and attempted to neglect such attendance even for the length of time as an only (six) months till now.

Lastly if this state of things continue, it is certain that as noted in the annual report for 1894-95, the average attendance of the Councillors will continue to fall off.

Sir,

I have the honor to submit herewith copy of letter no: 41, dated 28th April 95, from the Chairman of the Municipal Council Palni, recommending that M.R.Ry. Venkatasubbayyar avergal, may be removed from his office as Councillor under section 19(ii) of Act IV of 1884, as he has neglected to attend the meetings of the Council for more than three consecutive months. The explanation of the Councillor and copy of Sub-Collector's letter R.C. no: 2012 dated 3rd August 1895, offering his remarks thereon, are enclosed

2. I agree with the Sub-Collector in thinking that the explanation furnished by the Councillor is not satisfactory. He holds out no hopes that his business will keep him

him away from Palni less frequently and continuously than heretofore, and that his attendance at the meetings will be regular in future. I would, therefore, recommend his removal from office.

3. Nomination will be submitted to fill up his place on receipt of orders of Government.

4. A list showing the present constitution of the Council is enclosed.

I have the honor to be,
Sir,

Note.

Members who are always travelling about like this are useless on a council, and had better be replaced by others who can attend meetings.

I think that he ought to go. He will however probably appeal or remonstrate against the order so I think it best to take orders once for all
