TO

SIR,

In reference to para 2 of G.O. No. 820 L. Mis. 6.5.95, I have the honour to state that it was apparently through mistake that 8 bullocks were entered in the District Board's Resolution No. 33 31.5.90 instead of 8 buffaloes (vide copy enclosed of the L. E. Engineer's letter No. 54 21.5.90 read in that resolution). The error in this office Ref: No. 421 DB 11.4.95 and in the Inspection Notes referred to by Government, was evidently due to the error made in the Resolution.

As regards the discrepancy regarding the road for which the buffaloes were required, Jaddaughy road seems to be correct, as this the road referred to in the Engineer's letter.

panis and I have not asked that they should be replaced, as I did not see that they could be perfectly worked. I think, however, in the present difficulty of getting carts it will pay us to buy the buffaloes charging them to maintenance, and work them on the road. They are cheap and handy carts I have in stock in good order. The outturn will be shown as here to fore and the profit credited to Local Road Department. I therefore solicit permission to buy 8 buffaloes at a cost of about Rs 160-0-0 to work on the Jaddaughy road.

Sir,

In forwarding a copy of letter from
Shamasing regarding the difficulty of getting carts
on the Jaddaughy road, I have to say that this diffi-
-culty has been more intensified since work has
been going on, on the Tiinmapuram road.

I can get stuff dug but great trouble is
always felt in carting; some time ago, we brought
our own bullocks and our accounts show that
we have not lost money by the transaction in
spite of a very heavy loss we had by Cattle
plague when several of our cattle died. Our
Cattle have now dwindled down to some two

pairs
