CURRENT No. 1920 L

Collector of Coimbatore.

To.

The Chief Secretary to Government
Local and Municipal Department,

Sir,

×Vide cur no 2239L.

~~7·3~~ ×7·04 acres of land in five villages of the Erode Taluk were taken up in 1889 for the formation of the Vijiamangalam Railway feeder road. No compensation was then considered necessary, as the Local fund Deptt for which the lands were taken up, had amicably arranged for the owners of the lands giving them up *gratis*. After much correspondence it was ascertained that this was false, and steps were accordingly taken for the acquisition of the lands under the act.

2. A draft notification for the acquisition of the lands is herewith forwarded for publication in the Fort Saint George Gazette.

3. True translations of the statements of all the owners except those, whose whereabouts are not Known and who are absent at other places, are herewith forwarded - Many of them are willing to part with the portions of the lands required at the estimated Cost of Rupees 25 per acre - Some of them demand higher rates which are not reasonable -

4. The Taluk Board, Erode, has in its Proceedings, dated 29th June 1894, Resolution No 12, Sanctioned the Cost of the acquisition -

I have the honor to be,
Sir,
Your most obedt. servant.

The Vijiamangalam Railway feeder road runs through my patta land No. 17 in Kongampalaiyam. 20 cents of my field were taken up for it - It is dry land - Compensation should be paid to me for it - Rupees 10 should be paid to me - I did not know what my field is worth. The monegar should be asked - I consent to what the monegar says - I did say that I am willing to part with the land gratis -

I was not present in the village when I was summoned before - I had been to Rási-palaiyam.

Statement taken from Chennimalai goundan, pattadar No 33 of Mungiampalayam village, before the Tahsildar of Erode, on 25th January 1895.

57 cents in my field No 205 and 5 cents in my field No 206 have been taken for the road leading to Viziamangalam Railway station. Those parts have already been deducted from the pattas of those fields. I am willing to part with them, if I am paid at Rupees 150 per acre as Compensation - I demand so much, because the fields are irrigated by the water from the well in my fields. Now there is no water in the well - But when the lands were taken, there was water in the well - The adjacent fields are gardens - I, therefore, bought them as well as the fields Nos 205 and 206 at 100 Rupees per acre. I have the sale deeds with me - I shall produce them if ordered to do so. The other pattadar Kuppichi goundan is my son-in-law - He has not the least interest in these fields - He has no other right than patta - I should get the Compensation. Patta stood in my name when these fields were taken up by Government - Joint patta was given in fasli 1301 -

Statement from Kuppichi goundan -

on 8th June 1895.

Half the portion of fields No. 205 and 206 belongs to me and the other half to Chennimalai goundan. We bought them only after they were taken up by Government. The fields taken up by Government belong to Chennimalai goundan. I have no right in them. I have no objection to Government taking up his land and paying him Compensation.

(Signed) Kuppichi goundan.

Statement taken from Palani goundan pattadar of field No. 208.

The said land of mine is also garden land. I should be paid 100 Rupees per acre. I do not want any other field in exchange. The land is my ancestral property. I have no sale deeds, &c. The others Sengáliappagoundan, Sinnagoundan, Palanigoundan and Sellappagoundan are my brothers. They are under me. They will act according to my words. I may be held responsible for them. I do not want the refund of the Kist paid.

Statement taken from Kali goundan's sons, Palanigoundan 1. Sinnagoundan 2 and Márappa goundan's son Kuppichi goundan 3.

We heard the statement given by one among us i.e. Palani goundan before the Tahsildar on 25th January 1895. Patta for this field (No. 208) stands in the names Sinna Kaliappagoundan 1. Sen Káliappagoundan 2. Sinna goundan 3 Palanigoundan 4 and Sellappa 5. It is stated in the statement that Palanigoundan is one of the pattadars. In the patta the names of two Palanigoundans are not entered. Only one Palani goundan is entered. One Palaniappagoundan is a mistake for Sinna Kaliappagoundan. We do not know why Sinna Kaliappagoundan's name was not mentioned in the statement instead of Palanigoundan's name. That Sinna Kaliappagoundan is now dead. It is Palani goundan's son Kaliappagoundan who gave the statement before the Tahsildar. The deceased Sinna Kaliappagoundan's relations Palanigoundan 1. Sellappa goundan 2 Sinnagoundan 3 and Sengaliappa goundan 4 own half the portion of the field, and the other half belongs to Kuppichi goundan son of Márappagoundan. We consent to part with the 12 cents of land taken up at the rate of Rupees 25 per acre. We shall cause Sengaliappa goundan and Sellappagoundan to appear before you presently. We had built a tank some 40 years back in the part where the road now runs at the expense of 9 Sellagais of Corn. As the tank also was taken by the Government, we consent to receive any amount that may be fixed by Government as its cost. No mention of the tank was made by Palani goundan in his statement before the Tahsildar.
