District Board Office Tinnevely

Dated 25 July 1895

Local Municipal Dept.
CURRENT No. 2089 L

From,

A. W. B. Higgins Esquire,

President District Board

Tinnevely,

To,

The Chief Secretary to Government

Fort Saint George,

Sir,

In L.O dated 10th July 1893, no. 1508 L. no
sanction was accorded for the opening, in
the Board Training school, of an industrial
class of the 1st standard on the lines
sketched out in the scheme sanctioned
in L.O no. 1973 L, L and C, dated 7th
September 1889.

2. In the budget for the current year,
provision has been made for 30 stipends
of one Rupee each for establishments as

1/2089/1195

as approved in the original scheme, —
except the additional amount of salary
of Rs 10 to the Head master for his service
as Superintendent and for necessary contingencies—

3. The necessary accommodation having
now been secured and the appointments
of establishments sanctioned, the classes
can be opened shortly.

4. For the efficient and successful —
working of the scheme the following —
proposals were decided upon and sanction.

ed by the District Board in its Resolution

No 11 dated 8th July, 1895:—

(a) That the pay of the Head master be raised
from Rs 50 to Rs 60.

(b) That the pay of the sweeper be raised from
Rs 2 to Rs 3-8-0.

(c) That a night watchman be entertained
on Rs 4 per month,

(d) That the scholarship of the 1st standard be
raised from Rs 1 to Rs 1-8-0 and that the
rates for the higher standards be fixed at
Rs 2, Rs 3 and Rs 4, instead of Rs 1-8-0 —
Rs 2 and Rs 3.

(e) That students of any standard be admitted,
the total expenditure being kept within the
budget provision for scholarships and

(f) That the number of scholarships of the —
primary grade of the Training department —
be reduced from 30 to 25.

5. The raising of the salary of the Head —
master has already the approval of Govern-
ment. The increment to the salary of the
sweeper is proposed in consideration of the
increase in his work and with a view of
utilizing the whole of his time, while the
entertainment of the night watchman is
absolutely necessary for the care of the —

working materials of the industrial classes.

The enhancement of the rates of stipends is recommended with the object of rendering the scholarships attractive. The reduction in the number of students of the primary grade will, it is believed, lead to the more effectual training of students and to better results in examinations than are now achieved.

6. I have the honor therefore to solicit that Government may be pleased to treat this as a special case and accord its sanction to the proposals.

7. A copy of the District Board's Resolution is enclosed together with the proposition statement.

I have the honor to be
Sir,

Your most Obedient servant
