of the Trichinopoly Municipal Council dated
15th August 1895

As this never came
into the notes, so record it
separately. W.

And lastly. The resolution has had the support of the friends and relatives of the Chairman and of those councillors who came to be elected during the Chairman's tenure of office and who have been found fault with by Government in the 1st para of the G.O. No 245.

Municipal councillors

of the G.O. ²⁴⁵/₁₆₋₂₋₉₅ is clear on the point, and with better supervision there would be saving to the Municipality in addition to more efficient administration.

4thly. The councillors pretend to value a privilege without understanding that no privilege of the Council is sought to be taken away and except that there would be a change in the Chairmanship. The Council has still the power to make its own choice; and the Council forgets that the result of their disobedience would end in the forfeiture of the privilege and they to be pleased to a Chairman who have made it no conscience to destroy a franchise.

5thly. Their resolution about a Health-officer is quite independent of the question of a Salaries Chairman, the necessity for which has been fully explained by Government in para 2 of the G.O. No. ²⁴⁵/₁₆₋₂₋₉₅ and repeated in the G.O. of 10th July and from para 7 of the Chairman's letter itself it would be evident that even if a Paid Chairman were appointed there would be need for a Health officer; but the question has to be considered only after experimenting with a full-timed Chairman.

6thly. The offer of the Chairman to forgo his carriage allowance, considered along with his obstinacy in not vacating an honorary office

Respected sir,

We the undersigned Municipal
Councillars of Erichinapoly beg leave to submit &
protest against the Resolution of the Council da.
15th August 95 for the following amongst other
reasons.

In the first place, the resolution is no an-
swer to the repeated orders of Government which
the Chairman and the Council have been trying
to evade under some pretext or other for over
7 months.

2ndly. No new facts have been alleged
and made out which could in any way have
warranted the passing of the Resolution in
question.

3rdly. The plea of financial embaras-
ment and the additional burden on the shoul-
ders of the taxpayers, are simply unfounded in
as much as the question is not about additional
taxation but only about the collection and
distribution of Municipal funds. Para 2
