Note.

A considerable reduction has been
effected. Kurnool is a small & poor
place & cannot spend much under Grant
I. It is therefore not expedient perhaps
to insist upon an immediate reduction to
the 20% limit prescribed for other districts. For
a certain strength of superior officers is indispensable, & their
salaries speedily bring up the proportion.
Next year, again, the expenditure may be
greater, & if further reductions are not
insisted upon the percentage will then be
within the limit, & the establishment too
weak to carry out works properly. M.V. 28/95

SIR,

With reference to clause (2) of G.O. n^o 3162 dated 19th February have the honor to forward herewith position statement for the reorganization of the Local fund Engineering establishment in this district and request that it may be sanctioned. It will be seen the annexed copy of the Resolution District Board dated the 31st ult. six overseers are now proposed employed, doing away with the 11 hitherto allowed to them, instead proposed in my letter n^o 97 dated December 1894, and the scale of the is considerably reduced. The total amount including their travelling at (Rs 224) and contingencies (Rs 800) amount to Rs 14,204 or 30 percent total outlay on works provided for current year's budget. But as on the large 'Reserve' and 'balance' Rs 31,560 (Please vide statement dated 1.8.95, showing the estimates and reserve under the several local
