From M.C. Manandam Raja Loguie

President, District Board, Nellore.

To the Chief Secretary to Government, Local & Municipal Department

Madras

Sir,

There was one Sub-divisional officer for the Southern Sub-division since 1891; but after Mr Booth, late Sub-divisional officer was dismissed from service, the vacancy was not filled up owing to the high cost of the Engineering establishment though the Engineer requested to fill up the vacancy. The Engineer assigns this as one of the reasons for the short expenditure last year. This year, works to the extent of nearly 3 lacs have to be carried out owing to the enormous balance left unspent last year and the District Board have therefore thought it necessary to have a Sub-

divisional officer on Rs 100 a month and a daily allowance of Rs 1 till the end of the current official year to help the Engineer in making check measurements. They have also

sanctioned one clerk on Rs 15 per mensem and two lascars on Rs 6 each vide copies of their resolutions herewith submitted.

I have the honor to request that the sanction of Government may be obtained as early as possible. A proposition Statement is enclosed.
