I have the honor to state that of the printed Proceedings of Government communicated to this department the number ordinarily sent is six. This number invariably is in excess of requirements. I request that you will be pleased to diminish this number ordinarily to three. At times it may be found necessary to be supplied with a few additional copies of such of the Government Orders as may have to be communicated to the officers in charge of works. The orders principally referred to are those in regard to Municipal Budgets & administration reports, District Board Budgets & administration reports and Inspection notes of the Sanitary Commissions.
