Erode Taluk Board's Office,
dated 7th May 1895.

From

J. M. Swaminadha Aiyar, Esq.,
President, Erode Taluk Board,

To, The Chief Secretary to Government,
Local & Municipal Department,
Madras.

Sir,

I have the honor to report that in the Jamabundy of fasli 1303, the Tahsil-dar of Dharmapuram brought to notice in Village Account No. II A, of an encroachment of road poramboke in the village of Mattupalayam, measuring 2 cents in extent, assessed at 5 pias. A thatched shed used as a petty shop and another used as a cook room had been constructed by a poor female named Thairavandi, a petty dealer. A notice was issued to her to vacate the encroachment. The sheds were not removed, but she requested Mr. Harding, to allow them to stand as she might lose her living, if they should be removed. The Revenue Inspector & the village officials also reported that there was no obstruction by the existence of the sheds and recommended that the cost of the land

land might be collected from her and
the sheds allowed to continue. Thereupon
Mr Harding fixed Rs 2 as the cost of the site
and ordered the amount to be collected.
It was accordingly collected in March 95
and credited to Local Funds.

2. As the Local Board has, according
to G.O. No $\frac{858, L}{16.4.89}$, no power to transfer
by sale or otherwise an immovable
property vested in it for public purpose
without the sanction of Government
I have the honor to request that the
sanction of Government in the Revenue
Department may be obtained for the
formal sale of the site in question
to the woman for Rs 2. -

I have the honor to be,
Sir
Your most obed^t servant,

President.

C.No. 1355 of 2267 L

C.S. For orders

As to whether, under the
circumstances stated, the sale of
the land in question may be sanc-
tioned. The local officers say

V.B. there is no objection, and
the sketch confirms this. Sub-

mitted that as the encroachment
is not in a town the usual
strictness is not called for, that
the sale may be sanctioned.

18-8-95
I think that under the
circumstances the
sale of the land
may be sanctioned
but must not be
made without the
Government's
consent. W. R. 18-8-95

N. Order 74/895 No. 1535
Under the circumstances stated
the sale of the land in question is
sanctioned.

2. The greatest care should,
however, be exercised to prevent further
encroachments in this, as in other
cases.
