CURRENT No. 1381/m

LOCAL AND MUNICIPAL DEPARTMENTS,

FORT ST. GEORGE.

(Through the Divisional Officer.)

Sir,

In reply to your official memorandum dated 2nd September 1895 no. 1242, requesting to state how it is proposed to distribute the increase of Rs 3 in the aggregate salaries of the Hospital servants, and whether it has been sanctioned by the Municipal Council, as also to report the unforeseen circumstances under which the increase is now proposed, I have the honor to report as follows:-

2. The increase refers to the salaries of 3 toties employed in the hospital which it is proposed to raise by a rupee per head as per resolution of the Council no. 5 dated 15th July '95.
3. The unforeseen circumstances which led to the proposal are detailed below:-
4. The Sub-Collector and En-Officio Chairman visited

visited the Civil Hospital, Vellore, on the morning of the 25th June '95, and recorded his remarks in the Visitors' Book. Amongst other matters, he complained of the insanitary condition of the latrine attached to the Hospital. The District Medical and Sanitary Officer, in reporting on the extract from the Visitors' Book, stated that the present staff of toties employed was useless, and that if any improvement were to be effected it could only be done by employing a better staff of men and offering them, as an inducement, a higher salary. The Council, in concurring with the District Medical and Sanitary Officer, resolved to increase the pay of the toties by an addition of a rupee each per month owing to the difficulty experienced in procuring the services of competent men for the original salary, in as much as the nature of duties to be performed by Hospital toties is more arduous than that of the toties employed for conveyance.

I have the honor to be
Sir
Your most obedient servant
