Sir,

I have the honour to submit for orders the case of the establishment of the Anantapur School.

In my letter No. $\frac{445B}{A}$ dated 3rd December 1894 I recommended certain arrangements with reference to the staff of the school involving a complete reorganisation. This Scheme the Council has recently resolved to adopt in full.

In the meantime however there being no Headmaster and one of the Assistants having died the Council asked me to recommend a Head and Assistant Master for the institution.

Accordingly I wrote to the Principal Teachers' College quoting the rate of pay in force at the time my letter was written. According to this scale the pay of the Headmaster was Rs 80 and the pay of the Assistant Rs 50-60. Mr. Hall accordingly sent two men to Anantapur Mr. Rungachari M.A. as Headmaster and Mr. Somasundara Iyer as 2nd Assistant. Both of these have appeared for the recent L.T. Examination and are very strongly recommended by Mr. Hall.

On arrival at Anantapur however the Municipal Council informed the 2nd Assistant that in lieu of the old scale the new scale recommended by me to Government had been adopted by the Council. According to this scale the pay of the Second Assistant is Rs 40 rising to Rs 50.

Somasundara Iyer having gone to Anantapur on the understanding that he was to get Rs 50 refused to stay on the reduced pay offered.

Considering

Considering the special circumstances of th case and the extreme difficulty of obtainin a trained Graduate for the place (many previo attempts have failed) the Council has now resolved to give Somasundara Iyer Rs 50 the maximum pay of the place according to the reduced scale.

The Chairman requests me to ask you to make the corresponding alteration in the Schem submitted by me in my letter No. $\frac{445B}{A}$ dated 3rd December 1894 and also in the Budget Estimate of the School for 1895-96 i.e to put down the pay to be drawn by the present incumbent of the Second Assistantship at Rs 50 for 1895-96.

× × × ×

Thirdly V. Kumaraswami Iyer was under the old scale the 3rd Assistant his pay being Rs 40. He is a Matriculate, has 26 years' service and is a very popular and efficient teacher. He is moreover a Provincial servant with pensionary claims. He has never been trained and is

now

now much too old to be trained. Neither does he in my opinion require to be trained as he has been a teacher for the last 26 years. Under the new scale he has been put down as 3rd Assistant the pay of which has been fixed at Rs 30/ rising to Rs 40/. The Council wish for the reasons I have just mentioned to give him the maximum pay of the appointment i.e. Rs 40/- which pay he has been drawing for several years under the old scale. His pension will otherwise be affected. He is reported to have passed the old method examination many years ago at a time when no certificates were given.

The Chairman has asked me to ask you to make the necessary change both in the scheme submitted by me and in the Budget of the School for 1895-96 in the pay of the 3rd Assistantship, i.e., to put down the pay to be drawn by Kumaraswami Iyer the present incumbent at Rs 40/ the maximum instead of Rs 30/ the minimum. Future incumbents would of course draw the minimum

Sir,

In returning the endorsement of Government, dated 29th ultimo, No. 1221, L and M, I have the honour to state that I approve of the increased rates of salary proposed for the Second and Third Assistant masters in the Municipal High School, Anantapur; but I would remark that it is unnecessary to alter the scales of pay already sanctioned for these appointments, viz, Rs 40-50 and Rs 30-40 into Rs 50 and 40 respectively as shewn in the proposition statement herewith submitted, since what is wanted is the grant in each case of the maximum pay to the present

present incumbents and the provision of additional funds amounting to Rs 20 per mensem during 1895-96. The Scale of Salaries as shewn in the proposition statement would, if sanctioned, enable future incumbents also to begin with the higher rates of salary, which, I trust, is not the intention of the Municipal Council or of the Inspector. I beg to submit herewith extracts from the letter of the Inspector of Schools, Central Circle, No. 54A, dated, 4th February 1895 urging the necessity for allowing the teachers referred to above the the maximum rates of Salary sanctioned by Government.

I have the honour to be,

Sir,
