CURRENT

From

Chairman, Municipal Council
Palni.

To

The Chief Secretary to Government
Local & Municipal Department
Madras
Through the Sub-Collector & Collector of Madura

Sir,

I have the honor to forward herewith for orders a Copy of the resolution of the Council resolving to purchase the building in which the Municipal office is at present located, for Rs 1500

2. The Municipal office, is at present located in a small house in Cash Car Street, and the owner of the house Consents to part with it for Rs 1500. In my opinion, the building is quite unfit and too small for an office, and I can even add that if is not in a good Condition and not worth the price demanded. A Suitable building Can be Constructed for this sum of Rs 1500, and this Can be done either in the present Municipal market place which is not so used on account of its situation in one end of the town or in the Hospital Compound, which is a

a very spacious one.

3. A building is quite necessary for the office, as it has to be shifted from place to place for want of a building, and I request that Government may be pleased to permit the utilization of Rs 1000, provided for a Market site in the Budget of the Current year, for the Construction of an office, and that a further allotment of Rs 500 be sanctioned from the actual excess in receipts under Tolls by Rs 650, the same having been leased out for Rs 7000 against Rs 6000 expected in the Budget

4. The necessary applications for transfer and allotment of funds are herewith submitted.

I have the honour to be
Sir
your most obedient Servant

V. Srinivasa Chariar

2. I agree with the Chairman that the present rented Buildings is not suitable for a Municipal Office. The Hospital compound would be a very good site for a new Office.

Note. I doubt if a new Building could be built for Rs 1500. There can never be any difficulty in renting a building. The present rented building serves the purpose, but I doubt if it worth acquiring. Palni is a poor municipality and the money might be better spent otherwise.

2. The Council's resolution was to the effect that the present rented building should be purchased for Rs 1500. The Sub collector concurring with the Chairman considers the proposal undesirable and it may, I submit, be negatived.

3. In sending up the resolution the Chairman has recommended that the Rs 1500 be spent in constructing a new building, and has entered in col. 1 of the application for transfer. "Purchase or construction of an office building." This he has done without authority, and against the terms of the resolution.
