Letter No. 1629 / 16.11.94 from the District Surgeon, South Canara, forwarding budget proposals under grant III.

Regular Estimates for 1894-95 and budget Estimates for 1895-96 of the District Board placed before the meeting by the President.

Grant I When the President was recently on tour in the Udipi Taluk his attention was called to the Necessity of bridging over the tidal Stream between Malpe and the adjoining town of Udipi. Malpe is after Mangalore the most important port in the District. During the busy season there is an immense traffic along the road to Udipi and great inconvenience is caused by the difficulty of fording the Stream. The desirability of bridging this Stream has been long recognized and Government was asked, a few years ago, to provide funds, as the work is of a quasi imperial nature. The Government, however, declined, and the Board feels that there is Still less likelihood of its request being complied with now during the present financial pressure. The Board therefore resolves to allot Rs 25,000 for throwing a bridge over the Malpe Stream, during the next official year. In order to recoup itself the Board resolves to put a toll on the bridge after its completion for a period not exceeding 10 years. Provided that if the original cost of the bridge Shall be recouped before the expiry of that term, the toll Shall forthwith be discontinued.

The following new works will be provided in the District Board budget.

Constructing the Sullya bridge	Rs. 27,595
Do. Kadumbilla bridge	10,820
Constructing an iron Superstructure over the Birchinhalla bridge	6,110
Ferries — Petty works	1000

Provision will be made for the pay of the Draughtsman in the Engineer's Office at Rs 45 (Vide Resolution No. 6)

The maintenance grant of 8 miles of the frontier Section of Road No. 2 will be increased by Rs 320 as recommended by the Local Fund Engineer

Grant II As the Sessional School teacher will be in employ throughout the ensuing

year the provision for "Stipends of Students" will be raised to Rs 420. Funds do not permit of increasing the allotment as recommended by the Director of Public Instruction

The Inspecting School masters are already Sufficiently paid and the Board is not in favour of increasing the present cost under the head.

Grant III Provision will be made for the Cost of Vaccine Establishment and contingencies in accordance with the Boards resolution of the 25th. September last on the Subject.

Allotments to Taluq Funds. The allotment under this head will be on account of the following purposes.

Mangalore Taluq Board.

For the completion of the Bajpe Surathkal road ——— Rs 2,430

Kasaragod Taluq Board.

M. Srinivas Heggade

from July 1895 necessary provision will be made in the Taluq Board Budgets for the payment of the increement and the extra cost involved will be met by a grant from the District Funds.

Subject to the modifications mentioned above the draft budget Estimates drawn up by the President are approved.

24TH JANUARY 1895, No. 155 L., LOCAL AND MUNICIPAL.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers:—

From G. W. DANCE, Esq., President, District Board, South Canara, to the Chief Secretary to Government, dated Mangalore, 13th December 1894, No. 2282.

I have the honour to submit herewith the consolidated budget estimates of the District Board of South Canara for the ensuing official year 1895–96. The prescribed statements are submitted as per list enclosed.

2. I beg to premise that, in accordance with the sanction of Government contained in G.O., Mis. No. 2188 L., dated 26th October last, I have endeavoured to avoid, as far as possible, repeating in the body of the letter information which is given in the accompanying statements. Trifling differences are explained in the remark column of the enclosures or in foot-notes appended thereto. Only the more important proposals and variations are touched upon in this letter. I am afraid that some inaccuracies may be found. But these will be attributable to the inefficiency of my office and not to the curtailment of this letter.

CONSOLIDATED REVISED ESTIMATE FOR 1894–95.

3. *Statement IX-A—Receipts.*—The receipts from local funds in this district for the current year are expected to amount to Rs. 3,28,730 against the budget estimate of Rs. 2,84,800. The increase of Rs. 43,930 is due almost entirely to the large opening balance. This accrued from short expenditure under all the grants during 1893–94, which was explained in the last administration report. A sum of Rs. 566 adjusted from Provincial to Local funds in connection with the provincialization of board training schools, sanctioned in G.O., dated 9th April 1894, No. 674 L., is also included in the opening balance.

4. *Tolls.*—The increase of Rs. 2,330 is due to competition among the bidders at the sales.

5. *School-fees.*—The increase of Rs. 950 is due chiefly to improved attendance in the schools under the taluk boards of Coondapoor and Uppinangadi.

6. *Sale-proceeds of Books.*—The decrease of Rs. 550 is due to the intended introduction of a new vernacular Reader from the 1st January and consequent short purchases of the existing Reader.

7. (5) *Miscellaneous*—(3) *Contribution from Private Individuals.*—The amount of Rs. 150 shown under this head represents private scavenging fees expected to be realized by the taluk boards of Kasaragod and Udipi—*vide* paragraph 28 *infra*.

8. *Market Rents.*—There is an apparent decrease of Rs. 960 under this head and increase of Rs. 1,060 under "Fees and fines." Under instructions from the Accountant-General the receipts estimated under (*e*) "Fees and fines," being fees collected on the occasion of fairs and festivals including the cattle fair at Subramanya, were credited to "Market rents." But under memorandum of Government, dated 14th March 1894, No. 202, the old system has been reverted to and only receipts from markets properly so called are now credited under this head.

9. *Bungalow Fees.*—The decrease of Rs. 730 is due to the original estimate having been too high.

10. *Contribution from Provincial Funds—(a) Education.*—The decrease is explained by the Educational officers to be due to the introduction of the "Assignment

system." In accordance with this system, schools are not paid the whole of the grants which they earn, but only so much as will enable the receipts to cover the expenditure. Even this aid is not given if it is in excess of the budget allotment. Rs. 880 have accordingly been deducted from the grant earned by the Coondapoor high school.

11. *Statement IX-B—Charges.*—The total charges for the current year are estimated to amount to Rs. 2,41,950 against Rs. 2,74,730 provided in the sanctioned budget. The decrease of Rs. 32,780 is explained below.

12. *Grant I.*—It has been found necessary to replace the worn-out timber superstructure of the Oomilar bridge on Road No. 2 by an iron one, and Rs. 1,710 have been allotted for that purpose by the district board.

13. The following allotments under district funds, which are expected to remain unutilized during the current year, are surrendered :—

		Rs.
(1)	Construction of a bridge over the Sullya stream	15,000
(2)	" " " Kadimbilla stream	10,000
(3)	New works in connection with ferries	2,000
(4)	Repairs to the Bisli Ghât road	700
(5)	" " Uppinangadi-Gurvainakere road	640
	Total ..	28,340

14. Item No. (3) was intended for the purchase of boats, but there has been no occasion to utilize it. Items Nos. (4) and (5) were commenced too late in the year and I have ordered the work to be stopped as the working season is past.

15. The district board is not responsible for the lapsing of the first two allotments. Plans and estimates for the Sullya bridge were prepared by the Local Fund Engineer in January 1893 and for the Kadimbilla bridge in October 1892. The delay in commencing work is due to prolonged correspondence with the officers of the Imperial Public Works Department. The Local Fund Engineer and the Superintending Engineer differed so widely in their opinions about the Sullya bridge that the matter had to be referred to the Chief Engineer, who has just decided in the Local Fund Engineer's favour. In consequence of the delay which occurs before plans and estimates for bridges are sanctioned by the Superintending Engineer, the district board thinks it desirable to have some sanctioned estimates always in hand. I append an extract from its resolution on the subject :—

"The Local Fund Engineer is requested to submit plans and estimates for the works named above so as to have at least three ready to be taken up when funds can be spared. It now frequently happens that an estimate passed by the district board is not put in hand for two or three years afterwards owing to correspondence with the Imperial Public Works Department. Funds provided for bridges are thus constantly lapsing and the board is taken to task by Government in consequence. It is therefore most necessary that two or three plans and estimates should always be in reserve so as to be available for allotment when funds are in danger of lapsing."

16. The following are the chief allotments made by taluk boards in the revised estimate :—

	Rs.
Udipi Taluk Board—	
Constructing a timber bridge with masonry abutments over the Kondadi stream on Road No. 13	1,456
Coondapoor Taluk Board—	
Constructing a timber platform bridge across the creek on the road to Gangolli and reconstructing the road to the Sea Customs office which was recently washed away	416
Replacing the thatched roof of the existing market at Coondapoor by a tiled one	520
Constructing an additional shed in the fish market at Coondapoor ..	355
Kasaragod Taluk Board—	
Constructing a chattram at Muliyar	300
Mangalore Taluk Board—	
For re-spanning the Yenur bridge on Road No. 10-A with a timber superstructure	2,000
For re-spanning the Hossangadi bridge on the same road	2,000

17. The Engineer's progress report for October last showed that very little progress had been made in the case of several new road works and repairs. As the season for road-making has passed, I ordered further expenditure to be stopped, pending instructions from the Presidents of the taluk boards concerned. Rs. 14,840 are expected to be saved in consequence as shown below :—

		Rs.
(1)	Maintenance of the Bisli Ghât road	700
(2)	" of portion of Road No 9	640
(3)	Improving coast road south of Ullal	1,500
(4)	Repairing the village roads in the Kasaragod taluk	1,000
(5)	" " " Uppinangadi taluk	3,200
(6)	" Darbe-Subramania road	700
(7)	" village roads in the Mangalore taluk	1,500
(8)	" " " Udipi taluk	200
(9)	Gravelling coast road north of the Mabukal river	3,200
(10)	Repairing Udipi Hospital road	200
(11)	Gravelling coast road to the north of Yedamavinahole in the Coondapoor taluk	2,000

18. A sum of Rs. 1,570 has been provided for payment of scrutiny charges at $2\frac{1}{2}$ per cent. of the estimated cost of the Sullya, Kadimbilla and Birchinhalla bridges.

19. *Grant II.*—The decrease of Rs. 710 under results grants to secondary schools is due to the absence of provision for payment of bonus to the teachers of middle schools. These schools are worked on the self-supporting principle, and the charges, as now estimated, leave only a nominal balance. The increase of Rs. 400 under "Results grants" to grant-in-aid schools is due to that amount of the past year's earnings having been paid in the current year, owing to the delay in the receipt of certifying memoranda from the Educational Department. The decrease of Rs. 280 on account of the purchase of books is due to short purchases during the current quarter on account of the intended supersession of the present vernacular Reader.

20. *Grant III.*—The additional provision of Rs. 1,564 made by the taluk boards under medical stores is intended partly to meet the cost of additional stores required for their dispensaries and partly for payment of last year's bills received in the current year.

21. The increase of Rs. 296 under vaccine contingencies is due to the rewards earned by vaccinators during 1892–93 having to be paid only during the current year owing to the dilatoriness of the deputy inspectors. The First-class Deputy Inspector P. Kannan has been transferred. The payment of the Second-class Deputy Inspector's pay has been withheld pending the submission of the bills.

22. The Coondapoor Taluk Board has provided for the salary of a sweeper employed in the new bungalow at Coondapoor. The Udipi Taluk Board has made provision for four scavengers at Udipi and a sweeper for the chattram at Ajekar.

23. Under improvement of water-supply the Uppinangadi and Coondapoor Taluk Boards have allotted Rs. 250 and Rs. 397, respectively, for sinking wells.

24. *Grant IV.*—Pending the drawing up of a scheme, the allotment of Rupees 3,000 under "Pensions," made on account of a Provident Fund for the benefit of the local fund employés in the district, has been surrendered.

25. The allotment to taluk boards is raised by Rs. 930, representing their share of district bungalow fees.

26. The revised budget closes with a balance of Rs. 86,780 as shown below :—

	Rs.
District Board	57,380
Mangalore Taluk Board	3,670
Kasaragod "	3,940
Uppinangadi "	7,990
Udipi "	9,250
Coondapoor "	4,550
Total ..	86,780

CONSOLIDATED BUDGET ESTIMATE FOR 1895-96.

27. *A. Receipts.*—The total receipts amount to Rs. 3,19,640. Details are given in Statement I-A.

28. *Miscellaneous—Contributions from Private Individuals.*—This represents the estimated fee-collections for cleaning private latrines at Udipi and Kasaragod. A system of private scavenging has been in vogue in the town of Udipi for some years past under the supervision of the civil apothecary. The fees were collected by the board from each household which was served and paid over to the scavengers. The system not having worked satisfactorily, the taluk board has, at the instance of the apothecary, resolved to employ four scavengers on fixed salaries of Rs. 5 each and to credit the fees realized to local funds. Rs. 240 are expected to be collected under this head. The Kasaragod Board does not propose to employ any additional scavengers but takes credit for Rs. 20 on account of fees for private scavenging.

29. The variations in the other items are explained in a foot-note appended to the statement.

30. *Expenditure – Statement I-B—Grant I-(a) New Works*—(1) *Communications*—*Rs.* 86,620.—The allotment under this head is intended for the following works:—

		Rs.
(1)	Constructing the Sullya bridge	27,590
(2)	„ the Kadimbilla bridge	10,820
(3)	„ an iron superstructure over the Birchinahalla bridge	6,110
(4)	Ferries—Petty works	1,000
(5)	Completion of the Bajpe-Surathkal road	3,000
(6)	Constructing a road from Panambur to Karnad	3,000
(7)	Completion of the Yenur bridge	2,220
(8)	„ „ Hossangadi bridge	2,080
(9)	Constructing two timber bridges of 30-feet span in the 7th and 11th miles of Road No. 21	1,000
(10)	Gravelling coast road No. 22 north of Kirimangeshwar ..	3,000
(11)	Petty new works	1,800
(12)	Constructing a bridge over the stream between Malpe and Udipi.	25,000

31. It is hoped that the estimates for works Nos. (1) and (2) will be sanctioned before the close of the current year. No. (3) stands on the frontier section of Road No. 2 and should be taken in hand without delay as the existing timber superstructure is worn out. Items Nos. (4) to (11) are all necessary and the provision made by the taluk boards has been supplemented by additional allotments from the district funds.

32. I subjoin the resolution of the district board regarding item No. (12):—

"When the President was recently on tour in the Udipi taluk his attention was called to the necessity of bridging over the tidal stream between Malpe and the adjoining town of Udipi. Malpe is after Mangalore the most important port in the district. During the busy season there is an immense traffic along the road to Udipi and great inconvenience is caused by the difficulty of fording the stream. The desirability of bridging this stream has been long recognized and Government was asked a few years ago to provide funds, as the work is of a *quasi*-Imperial nature. The Government, however, declined, and the board feels that there is still less likelihood of its request being complied with now during the present financial pressure. The board therefore resolves to allot Rs 25,000 for throwing a bridge over the Malpe stream during the next official year. In order to recoup itself, the board resolves to put a toll on the bridge after its completion for a period not exceeding 10 years. Provided that if the original cost of the bridge shall be recouped before the expiry of that term the toll shall forthwith be discontinued."

33. *Civil Buildings.*—The Mangalore Taluk Board has provided Rs. 200 for a chattram at Bantvál. The balance of allotment under this head is made up of Rs. 600 intended for the construction of school sheds for primary schools in the Mangalore, Udipi and Coondapoor taluks and of Rs. 60 for the improvement of the chattram at Karkal.

34. *Repairs—Communications.*—The maintenance grant of eight miles of Road No. 2 has been raised by Rs. 40 per mile at the recommendation of the Local Fund Engineer. In addition to the ordinary repair grant, the Udipi Taluk Board has

provided Rs. 500 for repairing five masonry culverts between Udiavar and Kallianpur on Road No. 22, Rs. 300 for repairing two masonry culverts on Road No. 17, and Rs. 250 for repairing an arched masonry bridge on Road No. 14-B. The Coondapoor Taluk Board has slightly raised the maintenance grant of the ghât portions of Roads Nos. 18 and 21.

35. *Miscellaneous Public Improvements.*—The decrease of Rs. 230 under avenues is due to the reduction of the grants for watering. I recently pointed out that if avenue plants were put down at the beginning of the monsoon, instead of at the end, as hitherto, they would not require to be watered.

36. *Local Fund Engineering Establishment.*—The draughtsman was drawing Rs. 45 till 1886, when his pay was reduced for no fault of his own to Rs. 35 in reorganizing the Engineering establishment (G.O., dated 12th November 1886, Mis. No. 1520 L.F.). He was given an increase of Rs. 5 in 1891-92. The board considers that it is only just to replace this man on the same salary which he was drawing eight years ago as his work is very favorably spoken of by the Local Fund Engineer. Provision has been made for this increase as also for that sanctioned to the Local Fund Engineer during the current year.

37. *Grant II, Secondary Schools.*—The number of these schools remains the same as in the current year. No provision has been made for results grants to them as they will not be entitled to any under the "Assignment system."

38. *Elementary Schools.*—The Uppinangadi Taluk Board has provided for the appointment of two assistant masters, on Rs. 4 each, at the Uppinangadi and Dharmastala schools on account of the increased attendance. On the other hand, the Kasaragod and Mangalore Taluk Boards have abolished the post of second master at the Montimar and Haleangady Hindustani schools on account of the falling off in the attendance. The Kasaragod Taluk Board has vetoed the proposal of the Educational officers to convert the Vittal primary school into a middle school. It has, however, allotted small increments to the pay of the teachers, partly in deference to the recommendations of the Educational officers and partly on account of increased attendance.

39. *Grants-in-aid.*—There is an increase of Rs. 550 under results grants for all the taluk boards. This has been allotted on the recommendation of the Educational officers.

40. *Grant III.*—The increase of Rs. 2,810 over the current year's provision is chiefly due to the following causes:—

(*a*) It is proposed to give hospital assistants, trained at the expense of the district board, their first increment of Rs. 5 after four years' service instead of after seven as at present. I subjoin the district board's resolution on the subject:—

"The board thinks it is reasonable that the hospital assistants trained by it should draw less pay than civil hospital assistants, because the former are liable to serve only in their native district while the latter may be sent anywhere in the Presidency. At the same time the board considers that the first increase of Rs. 5, which is now given to a district board hospital assistant only after seven years' service, may in future be given as soon as the difference between his pay and that of a civil hospital assistant of the same standing has covered the expense incurred by the board in training him. The training of a hospital assistant costs the district board Rs. 430, which is equal to the saving effected in about 3½ years by his entertainment. Allowing for failures, &c., the board resolves that its hospital assistants shall, in future, receive their first increment of Rs. 5 after four years' approved service."

As six of these hospital assistants complete four years' service on the 30th June next, provision has been made for their increments from July following.

(*b*) The civil apothecaries at Bantvál and Kasaragod become entitled to an increment during the year.

(*c*) It is proposed to appoint compounders at the Karkal and Puttur hospitals.

(*d*) There is an increase of Rs. 150 under supplies which is caused by the increasing popularity of the boards' medical institutions.

41. *Medical Pupils.*—The details of the allotment made under this head are given below :—

	Rs.
One pupil on Rs. 7 for seven months at Mangalore	
„ on „ 9 for five months at Madras	49
His travelling expenses to go to Madras	45
	14
Two pupils at Madras at Rs. 9 each for twelve months	108
One pupil at Madras at „ 9 for four months	216
Text books	36
	30
Total ..	390

42. (*b*) *Vaccination, Rs.* 7,900.—The increase of Rs. 540 is chiefly due to the board having resolved to raise the pay of the vaccinators. I subjoin extracts from the board's resolution of the 25th September on the subject :—

"The board is of opinion that the vaccinators are underpaid. In consequence of the hardships of the life and the insufficiency of the pay the work is badly done and there is great difficulty in finding persons to do it." As regards the reward system "there is now such a delay in paying the rewards that they serve as no inducement to good work. The usual punishments for idleness and promotions for industry will probably suffice to secure a good outturn."

43. The chief features of the reorganization scheme, which was drawn up by the District Surgeon and approved with some modifications by the district board, are the following :—

(*a*) Vaccinators are to be given travelling allowance instead of rewards at the rate of four annas a day for first-class vaccinators and two annas a day for second-class and probationary vaccinators.

(*b*) First-class vaccinators to receive Rs. 20 per mensem instead of Rs. 18 and 15 (for the vaccine depôt) as at present, with a rise of Rs. 5 after four years' approved service in the grade.

(*c*) Second-class vaccinators to receive Rs. 15 per mensem instead of Rs. 12 and 10 as at present with a rise of Rs. 5 after four years' approved service in the grade.

(*d*) Probationary vaccinators to receive Rs. 10 instead of Rs. 8 and 7 as at present with a rise of Rs. 5 after three years' approved service in the grade.

A copy of the district board's resolution is enclosed.

44. *Sanitation, Rs.* 6,450.—The Coondapoor Taluk Board proposes to sink a new well at Coondapoor and to complete the wells sanctioned during the current year. The Udipi Taluk Board has provided funds for sinking two wells, one at the Kunjal market and the other at Kota, as also for completing the two wells sanctioned for the town of Udipi. The Mangalore Taluk Board has provided for sinking a well near the Mulky ferry as suggested by the District Surgeon. The increase of Rs. 160 under "Fairs and festivals" is chiefly on account of arrangements to be made at the biennial Pariyaya festival at Udipi. The decrease of Rs. 560 under "Other sanitary outlay" is based on the actual expenditure for the current year. The Kasaragod Taluk Board has transferred to Hosdrug one of the two sweepers employed at Nileshwar at the suggestion of the District Surgeon.

45. *Public Bungalows.*—A sweeper is proposed to be entertained for each of the bungalows at Karkal and Coondapoor. The Uppinangadi Taluk Board has allowed an increase of Re. 1 to the sweeper of the Uppinangadi bungalow in consideration of his looking after the chattram also.

46. *Contribution.*—The Wenlock and Women and Children's hospitals at Mangalore are each allotted the annual contributions of Rs. 600 and 1,000, respectively. Rupees 250 are contributed as usual to the Leper Asylum at Kankanadi.

47. *Grant IV.*—The Mangalore Taluk Board proposes to raise the salary of its office attender from Rs. 6 to 7 in consideration of his service of eight years. The attenders of other taluk boards are paid Rs. 7.

48. *Reserve, Rs.* 23,120.—This represents the prescribed reserve for the several local boards in the district as shown below :—

	Rs.
District Board	14,200
Mangalore Taluk Board	1,820
Kasaragod „	1,680
Udipi „	2,460
Coondapoor „	1,810
Uppinangadi „	1,150
Total ..	23,120

49. *Allotment to Taluk Funds.*—The subjoined table exhibits the allotments made by the district board to the several taluk boards :—

	Rs.
Mangalore Taluk Board..	9,460
Kasaragod „	4,430
Udipi „	23,540
Coondapoor „	7,620
Uppinangadi „	1,300
Total ..	46,350

50. The total expenditure thus estimated amounts to Rs. 3,06,400, leaving a closing balance of Rs. 13,240 inclusive of Rs. 2,630, being balance under endowments.

51. Proposition statements on account of changes in the several establishments detailed above are herewith submitted.

52. A copy of the district board's resolution is enclosed and the road map of the district is herewith returned.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 15th January 1895, No. 303.

I have the honour to submit the following remarks on the Educational portion of the South Canara District Board budget estimate for 1895–96 :—

(i) It is not known whether the board has made any provision under Grant I for the construction of suitable sheds for the location of salary-results schools. If not, I would recommend that an allotment of Rs. 800 be made for the purpose. The board schools should gradually be well accommodated so as to fulfil the requirements of the Educational rules.

(ii) The board has proposed to pay results stipends at the maximum rates to Panchama schools and at 50 per cent. to others. It is desirable that Hindustani board schools also should be paid at the maximum rates.

(iii) Rupees 8,550 have been allotted for results grants as against Rs. 8,000 for the current year. The latter allotment being comparatively small, it was not found possible to assign for each school more than 39 per cent. of the net cost in the E list. I would strongly recommend that in the interests of primary education Rs. 9,000 at least be provided for this item.

From Surgeon-Lieutenant-Colonel W. G. KING, M.B., C.M., D.P.H., Acting Sanitary Commissioner for Madras, to the Chief Seeretary to Government, dated Fort St. George, 28th December 1894, No. 64-S.

The programme of expenditure on vaccination and sanitation in 1895–96 drawn up by the District Board, South Canara, calls for the following remarks which I have the honour to submit for the consideration of Government :—

(1) The Vaccinal grant (Rs. 7,900) is in advance of the current year's provision by Rs. 1,540, the enhanced allotment being made to cover the cost of revising the staff and salary of the vaccine establishment—*vide* paragraphs 42 and 43 of the President's letter. The board's proposals are well-advised and may be sanctioned provisionally pending the settlement of the question of reorganizing the Vaccination department now before Government.

(2) The Sanitary allotment is Rs. 6,450 against Rs. 6,810 entered in the sanctioned budget. It forms but 2·8 per cent. of the estimated receipts against 10 and 20 per cent. apportioned for utilization on hospitals and dispensaries and education, respectively. The proposed sanitary outlay is not in proportion to the requirements of the district, and I would respectfully request the attention of Government to my remarks offered on the budget for 1894–95.

(3) No extract from Statement III has been sent to me, and I am thus deprived of the means of knowing whether the execution of any sanitary works under Grant I is in prospect.
