From

C. A. Mounsey Esq.
President of the District Board,

Chingleput.

To

The Chief Secretary to Government
Local and Municipal Department
Madras.

SIR,

With reference to G.O. dated 13th December 1894, No. 2587 L. Dis, I have the honor to report that the encroachment made by Tholasi Chetti on public street therein referred to was removed as ordered by Government.

2. In the case of the other encroachments in the same street noticed by Government, a rough sketch showing their position and with a memo showing their extent, the names of the individuals occupying them and the date from which they have stood is enclosed together with the original sketch returned by Government with its endorsement No. 55 dated 19th January last. From these it will be observed that the

the encroachments in question are of more than 30 years standing and the occupiers have acquired a prescriptive right thereby. The street is broad enough and these encroachments cause no obstruction to the public. Of the houses noted in the sketch, No. 127 is used as the Local Fund Dispensary and is property of the District Board. The large plot of ground in front of it in the opposite row comprising Paimash Nos. 223, 224 & 309 to 313 was lately acquired under the land acquisition act on behalf of the District Board for erecting thereon accommodation for in-patients in connection with the Saidapet Dispensary.

3. In these circumstances, I think no action need be taken in these cases.

I have the honor to be
Sir,

Your Most Obedient Servant

Mumtaz
Vice President
for President
District Board.
